ASSIGNMENT OF PATENTS

This ASSIGNMENT OF PATENTS (the "Assignment"), effective as of the 30th day of October 2020, by **GEORGE LEVEY**, having a mailing address of 11 San Marco Street, Unit 401, Clearwater, Florida 33767 (referred to as the "Assignor"), to **INSTANT ON, LLC** a Florida limited liability company with its principal address at 11 San Marco Street, Unit 401, Clearwater, Florida 33767 (the "Assignee" and with the Assignor collectively referred to as the "Parties").

WITNESSETH

WHEREAS, Assignor is the owner by assignment of United States Patent and Trademark Office ("USPTO") patent application number 14/353,896 (Apparatus and Method for Conserving and Filtering Water) and Patent Numbers 7,975,985 (Rod Activated Valve for Saving Water); 8,387,836 (Rod Activated Valve for Saving Water with Tamper-Resistant Security Feature; and D694,852 (Water Filter Element) (hereinafter collectively referred to as the "Patents" and each a "Patent");

WHEREAS, Assignor desires to convey, transfer, assign, deliver, and contribute to Assignee all of its right, title, and interest in and to the Patents; and

WHEREAS, Assignee desires to accept all rights, title and interest to the Patents;

NOW, THEREFORE, for \$10.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby grants, conveys, transfers, and assigns to Assignee all of his rights and title to the Patents, and any iteration of or modifications relating to the technology thereof to the Assignee as set forth herein.

AGREEMENT:

1. Recitals and Exhibits. The foregoing recitals and any exhibits to this Assignment are true and correct and are incorporated herein by this reference.

2. Transfer of Patent. Assignor hereby transfers, grants, conveys, assigns, and relinquishes exclusively to Assignee all of Assignor's right, title, interest and goodwill in and to the Patents, in perpetuity (or for the longest period of time otherwise permitted by law), including, but not limited to, all Patent rights whether statutory or common law.

3. Registration Fees. The registration for the change of the registered owner of the Patents shall be undertaken by Assignee; however, Assignor shall bear the registration fees incurred hereby. Assignor agrees that it will execute all documents, papers, forms and authorizations and take all other actions that may be necessary for securing, completing, or vesting in Assignee full right, title, and interest in the Patents, including, but not limited to, filing all required documents with the USPTO.

4. Assignor Representations and Warranties The Assignor hereby represents and warrants as follows:

a. The Assignor has the exclusive ownership of the Patents and no rights or equity of any third party is prejudiced due to the using of the Patents. There is no litigation or any other disputes arising from or relating to the Patents.

b. The Assignor, subject to its business scope and corporate power, has obtained full authority and all consents and approvals of any other third party and government necessary to execute and perform this Assignment, which shall not conflict with any enforceable and effective laws or contracts.

c. Once this Assignment has been duly executed by both parties, it will constitute a legal, valid and binding agreement of the Assignor enforceable against it in accordance with its terms upon its execution.

d. The Assignor will not engage in any action that will be detrimental to the validity of the Patents after the completion of the assignment.

5. Assignee Representations and Warranties. Assignee hereby represents and warrants as follows:

a. Once this Assignment has been duly executed by both parties, it will constitute a legal, valid and binding agreement of the Assignee enforceable against it in accordance with its terms.

6. Governing Law. This Assignment will be deemed to have been made, entered into, finally executed, and delivered in the state of Florida (which execution and delivery are acknowledged by the parties to this Assignment) and all rights and duties and defined by the laws of the State of Florida, without giving effect to the principles of conflicts of law thereof. The parties hereby expressly agree and submit to the exclusive jurisdiction of both state and federal courts of Florida lying in Hillsborough County, Florida.

7. Parties Bound by Agreement; Successors and Assigns. The terms, conditions, and obligations of this Assignment shall inure to the benefit of and be binding upon the parties hereto and the respective successors and assigns thereof.

8. Further Assurances. From time to time, at the request of Assignee and without further consideration, the Assignor shall execute and deliver such further instruments of conveyance, transfer and assignment and take such other actions as Assignee may reasonably require to more effectively assign the Patents to Assignee. The Parties shall also execute and deliver to the appropriate other party such other instruments as may be reasonably required in connection with the performance this Assignment, and each shall take all such further actions as may be reasonably required to carry out the assignment contemplated by this Assignment.

IN WITNESS WHEREOF, and intending to be legally bound hereby, the parties hereto have caused this ASSIGNMENT OF PATENTS to be duly executed and delivered as of the date and year first above written.
