We also covenant that we will communicate to ASSIGNEE, its representatives, assigns or agents, any facts known to us respecting said invention(s) or said application(s), and to testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, provide all requested documents, and do everything reasonably possible to aid ASSIGNEE and its assigns to obtain and enforce proper patent protection for said invention(s) or said application(s) in the United States or any foreign country.
