ASSIGNMENT AND INVENTOR'S DECLARATION (WLD)

WHEREAS I/we, the undersigned inventor(s),

- 1. FRENCH, Elliot
- 2. JIANG, Peiqi

hereafter also referred to as "assignor(s)", have invented certain new and useful solutions, also referred to as "invention", described in the patent application No. PCT/EP2019/062243 filed on May 13, 2019 in WIPO, also referred to as "application", entitled:

IMPROVED ADHESIVE FOR PC-MOF APPLICATION

WHEREAS,

ESSILOR INTERNATIONAL
147 RUE DE PARIS
CHARENTON LE PONT 94220 FRANCE

hereinafter referred to as "assignee(s)", is desirous of acquiring the entire right, title and interest in and to the application and invention, and to any national, regional or international patents to be filed and obtained therefor;

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above-named assignor(s) hereby

- sell, assign and transfer to the above named assignee(s), its successors and assigns, the entire right, title and interest in the application and the invention disclosed therein worldwide, including all divisions, and continuations thereof, and all patents or petty patents that may be granted thereon, and all reissues thereof, including any right to bring or maintain an action for infringement under the provisional rights or any other cause of action for acts which would constitute infringement occurring prior to this assignment, and including the right to claim priority under the International Convention of Paris (1883), as amended, or in any corresponding national, regional or international patent application,
- request the Director of any national, regional or international Patent Office to issue any patent granted upon the invention set forth in the application to the assignee(s), its successors and assigns, - agree to promptly execute any further documents and take any further steps that facilitate the transfer of any and all right, title, and interest identified herein, and/or the perfection or enforcement of patent rights in any country in which protection for the invention is sought,
- declare that the above-referenced invention was made or authorized to be made by assignors and that each assignor believes that he is the original inventor or an original joint inventor of a claimed invention.

Assignors(s) hereby acknowledge that any willful false statement made in this assignment with declaration is punishable by fine, imprisonment, or both (in the USA, under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both).
