ASSIGNMENT

WHEREAS, Stephen N. Pitcher, of 70 Pioneer Dr. Alpine, Utah 84004 (“Assignor”) has invented a certain new and useful invention described in United States Patent Application No. 15/287,733 entitled DIFFUSING APPARATUS AND METHODS, in the United States Patent and Trademark Office; and

WHEREAS, SPDI Holdings, Inc., a Corporation organized in the State of Utah, having a business address of 70 Pioneer Dr. Alpine, Utah 84004 (“Assignee”), desires to secure the entire right, title, and interest therein;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, Assignor hereby sells, assigns, and transfers unto said Assignee:

The entire right, title and interest in and to said inventions in the above-identified United States patent application and any right, title, and interest the Assignor may have in any prior application, including provisional applications, to which priority is claimed in said application, and in all divisions, continuations and continuations-in-part of said application and any and all other non-provisional applications thereof, and substitutes and reissues and extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, including any rights to claim priority, and in all patents issuing thereon in the United States and Foreign countries.

The right to file United States and foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes the Assignee to apply for and receive any and all United States and foreign patents relating to such inventions or improvement in its own name.

Assignor hereby authorizes and requests the issuing authority to issue any and all United States and foreign patents granted on such inventions or improvements to and in the name of the Assignee.

Assignor warrants and covenants that no assignment, grant, mortgage, license or other agreement or encumbrance affecting the rights and property herein conveyed has been or will be made or entered into by Assignor, and that the full right to convey the same as herein expressed is possessed by Assignor.

Assignor covenants to carry out in good faith the intent and purpose of this agreement, and when requested by and at the expense of the Assignee, to execute all lawful papers and to perform all other lawful acts which the Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, to execute all non-provisional, divisional, continuing, substitute, renewal and reissue, and all other patent applications relating to any and all improvements relating to the invention; to execute all rightful oaths, declarations, assignments, powers of attorney and other papers; to communicate to the Assignee all facts and provide to the
