**ASSIGNMENT OF PATENT APPLICATION**

WHEREAS Scott Peterson, hereinafter referred to as "Assignor," is the inventor of the invention described and set forth in the below-identified application for an International PCT application:

Title of Invention:           TREATMENT OF HER2 POSITIVE CANCERS  
Filing Date:                 April 27, 2018  
Application No.:             PCT/US2018/029899

WHEREAS, Cascadian Therapeutics, Inc. located at 2601 – 4<sup>th</sup> Avenue, Suite 500, Seattle, WA 98121, hereinafter referred to as "Assignee," is desirous of acquiring an interest in the invention and application and in any U.S. Letters Patent and Registrations which may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, and by these presents do assign to Assignee all right, title and interest in and to the invention and application and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the application as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this Assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that he will, without charge to Assignee, but at Assignee's expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer, (c) authorize and request Assignee's Legal Representatives to insert above and in header this application's PCT application number and filing date, when known, and (d) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee's successors and assigns.
