ASSIGNMENT

I, the undersigned inventor, **Harjinder S. GHUMAN**, a citizen of the United States of America, residing at 6205 Peachtree Dunwoody Road, Atlanta, GA 30328, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, do hereby sell, transfer, and assign to the Assignee, **Cox Communications, Inc.**, a corporation of the State of Georgia, and having a place of business at 6205 Peachtree Dunwoody Road, Atlanta, GA 30328, the full, exclusive, and entire right, title, and interest for the territory of the United States of America, in and to the invention entitled "C And L Band Optical Communications Module Link Extender, And Related Systems And Methods," as described and claimed in the application for Letters Patent to be filed in the United States Patent and Trademark Office, and the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof; and we hereby request the Commissioner of Patents and Trademarks of the United States of America to issue said Letters Patent to the Assignee, for its interest, for the sole use of the Assignee and its successors, assigns and legal representatives, as fully and entirely as the same would have been held by us had this assignment not been made;

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reexamination, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid the Assignee, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in the United States of America.
