ASSIGNMENT

WHEREAS, I,

Jason Bootsma, have invented a new and useful invention and improvements to the subject matter of:

Processes for Recovering Products from a Corn Fermentation Mash

described in an application for United States Letters Patent filed November 25, 2019, and accorded Serial No.: 16/616,503;

AND, WHEREAS, Flint Hills Resources, LP (hereinafter termed "Assignee"), a Delaware limited partnership, having a place of business at 4111 East 37th Street North, Wichita, Kansas 67220, is desirous of acquiring certain rights to said invention and under the applications;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements, said United States application, any other United States applications, including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on said United States application or in whole or in part on said improvements, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States applications or in whole or in part on said improvements, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

AND I hereby authorize and request my agent, Kendra S. Mattison (Reg. No. 55436), c/o Koch Companies Public Sector, LLC, 4111 E 37th Street North, Wichita, Kansas 67220, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application, when known;

AND I hereby agree for myself and my heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced applications or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, that may be necessary to secure to ASSIGNEE its interest and title in and to said invention or any parts thereof, and in and to said several patents or any of them;
