WHEREAS, I, the undersigned inventor (or one of the undersigned joint inventors), of residence as listed, having invented certain new and useful improvements as below entitled, for which application for United States Letters Patent is made.

WHEREAS, NANOLUMENS ACQUISITION INC., a corporation organized and existing under the laws of the State of Georgia, with a place of business at 4900 Avalon Ridge Parkway, Norcross, GA 30071, is desirous of acquiring my entire right, title and interest in and to the said invention, and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I hereby irrevocably convey, transfer, sell and assign unto the said NANOLUMENS ACQUISITION, INC., its successors and assigns, my entire right, title and interest in and to the said invention and in and to the said application(s) and all patents which may be granted therefor, and all divisions, reissues, renewals, re-examinations, substitutions, continuations, continuation-in-parts, and extensions thereof; and I hereby authorize and request the Patent and Trademark Office to issue all patents for said invention, or patents resulting therefrom, to the said NANOLUMENS ACQUISITION, INC., as assignee of my entire right, title and interest.

I also hereby irrevocably convey, transfer, sell and assign to NANOLUMENS ACQUISITION, INC., its successors and assigns, my corresponding rights to the invention disclosed in said application in all other countries of the world, including the right to claim priority, file applications and obtain patents under the terms of (i) the Paris Convention for the Protection of Industrial Property, (ii) the Patent Cooperation Treaty, and (iii) the Hague Agreement Concerning the International Deposit of Industrial Designs, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such rights.

I also hereby irrevocably convey, transfer, sell and assign to NANOLUMENS ACQUISITION, INC., its successors and assigns, my entire right, title and interest in and to (i) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, and (ii) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

I hereby further agree that I will communicate to said NANOLUMENS ACQUISITION, INC., or to its successors, assigns, and legal representatives, any facts known to me respecting said invention, and at the expense of said assignee company, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said NANOLUMENS ACQUISITION, INC., its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I hereunto set hand and seal this day and year;
