Switzerland

Hereby sell, assign and transfer to OP-HYGIENE IP GMBH, a corporation of the state of Switzerland, having a place of business at Herrenmattweg 1, 4704 Niederbipp, Switzerland, its successors, assigns and legal representatives, the entire right, title and interest for Canada, the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for Letters Patent, filed in the United States on November 15, 2019 under Serial No. 62/935339, and entitled "Fluid Dispenser With Wake Up Sensor" and in and to said application and all divisional, continuation, continuation-in-part, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in Canada, the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in Canada, the United States and all foreign countries on said improvements;

Do hereby make oath and declare:

- i) I do verify believe myself to be the inventor or an original joint inventor of a claimed invention in the aforesated Application; and
- ii) I hereby authorize the Assignee to make or have made the Application in Canada, the United States and all other foreign countries.

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuation, continuation-in-part, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, licence or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
