WHEREAS, Assignors have invented certain new and useful processes, machines, articles of manufacture, compositions of matter, and/or improvements thereof disclosed in U.S. Patent Applications, Nos. 62/845,565, filed May 9, 2019, 62/845,600, filed May 9, 2019, 62/845,615, filed May 9, 2019, and 29/690,818, filed May 10, 2019, titled "UTILITY BOX COMPARTMENT DIVIDER AND BAIT AND TACKLE STORAGE SYSTEM," "UTILITY BOX AND CRANKBAIT STORAGE SYSTEM," "STORAGE SOLUTION WITH A UTILITY BOX, LATCH SYSTEM, RACK SYSTEM OR DISPLAY SYSTEM," and "UTILITY BOX," respectively (hereinafter referred to individually and together as "Applications"); and

Plano Molding Company, LLC

WHEREAS, ~~PLANO MOLDING COMPANY~~, having a place of business at 431 East South Street, Plano, IL 60545 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest worldwide in and to the Applications, and inventions and improvements described therein, and in and to any patents to be obtained therefor, thereon, and therefrom.

Initials: JB
Date: 7/27/20

NOW, THEREFORE, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, all right, title and interest throughout the world in and to the Applications, any inventions and improvements claimed or disclosed therein, and any and all letters patent, certificates of invention, design registrations and utility models which may be granted therefor in the United States, its territorial possessions and all foreign countries, and in and to any and all reissues, reexaminations, divisions, continuations, continuations-in-part, substitutes, extensions thereof, and all other applications relating thereto which shall be filed by the Assignee or its assignees in the United States, its territorial possessions and all foreign countries, for Assignee's own use and enjoyment and the use and enjoyment of its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment had not been made, together with (A) the right, if any, to register or apply in all countries and regions in the Assignee's name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; (B) the right to prosecute, maintain and defend the Applications (and any patents granted thereon or therefrom) before any public or private agency, office or registrar including by filing reissues, reexaminations, divisions, continuations, continuations-in-part, substitutes, extensions and all other applications relating to the Applications; (C) the right, if any, to claim priority based on the filing date of the Applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, the Paris Convention, and all other treaties of like purposes; and (D) the right to sue and recover damages or other compensation for past, present or future infringements thereof, the right to sue and obtain equitable relief, including injunctive relief, in respect of such infringements, and the right to fully and entirely stand in the place of the Assignors in all matters related thereto.

AND, at Assignee's cost, Assignors shall use reasonable efforts to take actions and execute and deliver documents that Assignee may reasonably request to effect the

terms of this Assignment and to perfect Assignee's title in and to the Applications assigned to it hereunder, including, without limitation, entering into individual patent assignment agreements (in one or more languages) for the purposes of evidencing and recording Assignee's rights in the Applications.

AND, Assignee shall be solely responsible for all actions and all costs whatsoever, including but not limited to taxes, attorneys' fees and patent office fees in any jurisdiction, associated with the perfection of Assignee's right, title, and interest in and to the Applications and recordation and/or registration of this Assignment or any other document evidencing the assignment to Assignee of the Applications. The Assignors hereby authorize the Commissioner/Director of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the Applications and to deliver to Assignee all official documents and communications as may be warranted by this Assignment.

AND, for the same consideration, Assignors hereby represent and warrant to Assignee, its successors, legal representatives and assigns that, at the time of execution and delivery of these presents, except for any right, title and/or interest that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the lawful owners of all right, title and interest in and to the Applications, including the inventions and improvements described therein, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND, Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

LEASON ELLIS LLP

including all practitioners at Customer Number 76808.

AND, this Assignment can be executed in any number of counterparts, each of which when so executed shall be deemed an original and all of which taken together shall constitute one and the same agreement.
