ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, we **Justin Seidenfeld, Yuk Cheung Wong, Wing Hin Ng, and Michael James Grillo** (hereinafter "ASSIGNORS"), have and do hereby distribute, convey, transfer and assign to **Gravity Products LLC**, having its principal place of business at **181 North 11th Street, Suite 108, Brooklyn, NY 11211** and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in and to the inventions, improvements and all patent applications that are the subject of an application for United States Patent, entitled "**WEIGHTED SLEEP MASK**" filed on **March 1, 2019**, and assigned Serial No. **29/682,171** and to any patents, continuations, continuations-in-part, divisions, reissues, reexaminations and extensions thereof along with any and all rights of enforcement and causes of action with respect thereto, and

We authorize and request the attorneys appointed in said application to file this assignment wherever appropriate including for any and all United States and foreign patent applications and patents, utility models, and design registrations pending or granted for any of said inventions or improvements;

We authorize and request the attorneys appointed in said application the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and

We authorize the Assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts

and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

We represent and warrant that we have the full power to make this assignment and that the rights, titles, and interests assigned are not encumbered by any grant, license or right heretofore given.
