ASSIGNMENT

Whereas, WE, Frank D. Kalb of Cypress, Texas, and Alexander Anthony Bradley of Houston, Texas, have invented "**REAL-TIME MONITORING OF MASS LOSS FROM EROSION FLOW**," for which we have made application for Letters Patent of the United States; and any Letters Patent that may issue thereon; and which has been disclosed in the application for Letters Patent filed in United States Provisional Application Serial No. 62/677,942 filed on May 30, 2018; and

Whereas, DRIL-QUIP, INC., a Delaware corporation, having a place of business at 6401 N. Eldridge Parkway, Houston, Texas 77041, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, by these presents do sell, assign, transfer and convey unto DRIL-QUIP, INC., its successors and assigns, the full and exclusive right, for the United States of America and its territorial possessions, and for any and all foreign countries, in and to the said invention, described in the Provisional Patent Application Serial Number 62/677,942, filed on May 30, 2018, and any divisional, continuing or reissue application based on the present application preparatory to obtaining Letters Patent of the United States therefor; said invention, application and any and all Letters Patent issuing therefor to be held and enjoyed by DRIL-QUIP, INC., for its own use and behoof, and for its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us and had this assignment and sale not been made.

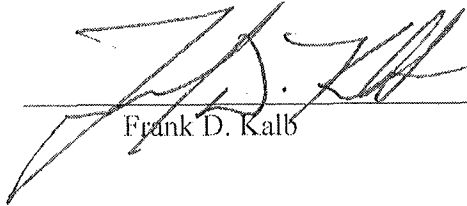

And we do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any divisional, continuing or reissue application or applications for patent based on the present application, as well as for any other U.S. or foreign application for patent which relates to the said invention.

And we do further agree to communicate to DRIL-QUIP, INC., its successors, assigns or other legal representatives, such facts relating to the invention disclosed in the present application or Letters Patent issuing thereon as may be known to me, and to testify as to such facts in any interference or other litigation.
