ASSIGNMENT OF U.S. PATENT APPLICATION

Attorney Docket Number: 10243P017

For good and valuable consideration, the receipt of which is hereby acknowledged, **Byton North America Corporation**, having a place of business at 4201 Burton Drive, Santa Clara, California 95054, (the "Assignor"), hereby sells, assigns, and transfers to **Byton Limited**, a company of Hong Kong, having a place of business at Unit 1312, Tower 1, Lippo Centre, Queensway 89, Hong Kong, (the "Assignee"), its successors and assigns, the entire right, title, and interest throughout the world, but excluding the People's Republic of China, in the inventions, discoveries, improvements, or designs of the patent application listed on Schedule A attached hereto, and all patent applications (provisional and nonprovisional) and letters patents (including, but not limited to, utility patents, design patents, utility models, inventor certificates, and applications thereof) of every country, but excluding the People's Republic of China, for such inventions, discoveries, improvements, or designs, including divisions, reissues, reexaminations, continuations, continuations-in-part, and extensions thereof, and all rights of priority resulting from the filing of such applications. The Assignor authorizes the Assignee to apply for patents of foreign countries, but excluding the People's Republic of China, for such inventions, discoveries, improvements, or designs and to claim all rights or priority without further authorization from the Assignor. The Assignor agrees to execute or use its best efforts to cause the execution of all papers necessary or advisable in connection with such United States and foreign applications, but excluding the People's Republic of China. The Assignor hereby requests the Director of the U.S. Patent and Trademark Office to issue all patents granted for such inventions, discoveries, improvements, or designs to the Assignee, its successors, and assigns.

Executed this 17th day of March, 2020.
