PATENT

Docket No. 0148 000042US

COMBINED DECLARATION AND ASSIGNMENT

As the below named inventor, I hereby declare that:

This declaration is directed to:

The attached application, or

United States application or PCT international application number

filed on

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, I, Daniel Anderson Newman, of 3041 Golf Colony Drive, Salem, VA 24153, am the inventor or joint inventor of an Accessory Mounting Track with T-Bolt Alignment, for which I have filed an application for United States Letters Patent;

AND WHEREAS, Luther Cifers (hereinafter designated as the Assignee), of 118 N Main Street, Unit 201, Farmville, VA 23901, is desirous of acquiring the entire interest in and to the invention and any Letters Patent to issue therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid, the receipt whereof is hereby acknowledged, I, Daniel Anderson Newman, do hereby sell, assign and transfer unto the Assignee, its successors or assigns, the entire right, title and interest in and to the application and invention in the United States and all countries foreign thereto, including the right of priority under the International Convention of 1863 and later modifications thereof, and to any Letters Patent to issue therefor.

I hereby request the Commissioner of Patents and Trademarks of the United States to issue to the Assignee any Letters Patent the application, or any division or divisions or continuing or reissue applications thereof, in accordance with the terms of this assignment.

I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

I agree to execute any and all documents required by the Assignee, its successors or assigns, for the prosecution of the application, or of any division, reissue or continuation thereof, or for securing foreign patents covering the invention, and also any documents required by it, its successors or assigns, more fully to vest in it or them the title to the invention, or to any application or patent that may be filed therefor or secured thereon.

I agree to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

I hereby irrevocably appoint the Assignee as our attorney in fact to execute any documents on our behalf for procuring in its name and ownership patents in/ all countries for the invention.
