ASSIGNMENT

WHEREAS, I, **Chandra Sekhar Rakurty**, a citizen of the United States, whose post office address is 6651 List Street NW, North Canton, OH, and **Peter Christopher Vandervaat**, a citizen of the United States, whose post office address is 2551 Mohler Dr NW, North Canton, OH, have invented certain inventions and improvements disclosed in a design patent application entitled "**GROUND SET HOLE SAW**" which was filed in the United States Patent and Trademark Office on August 20, 2019, serial no. 16/545,264 and

WHEREAS, **The M.K. Morse Company**, a corporation of the United States, having a principal place of business at 1101 11th St SE, Canton, OH 44707, USA, has an ownership interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Chandra Sekhar Rakurty** and **Peter Christopher Vandervaat**, by these presents do sell, assign, and transfer to **The M.K. Morse Company**, the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, reexamination, or reissue thereof, to **The M.K. Morse Company** as the assignee, for its interest and for the sole use and benefit of **The M.K. Morse Company** and its assigns and legal representatives;

For the same consideration, we, by these presents, do sell, assign, and transfer to **The M.K. Morse Company** the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights

arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **The M.K. Morse Company**, or its designee insofar as permitted by applicable law;

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **The M.K. Morse Company**, its successors, assigns, and nominees to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
