ASSIGNMENT

WHEREAS, I, Roberto Michele PIATTI of Moncalieri (Turin), Italy ("Assignor"), am the inventor of an invention/design entitled "DESIGN OF ELECTRIC MOTORCYCLES" that is the subject matter of: (check all that apply)

- a U.S. application for Design Patent which claims the priority of the Vietnamese Industrial Design Application No. 3-2018-00271 filed on February 2, 2018,
- an application for Design Patent which is identifiable in the Patent Office of the U.S. by Application No. 29/658,634 filed on August 1, 2018

WHEREAS, TORINO DESIGN SRL, a company organized and existing under the laws of Italy ("Assignee"), and having offices at Strada Genova 214, 10024 Moncalieri (Turin), Italy is desirous of acquiring the entire right, title and interest in and to the invention/design, the applications, and any and all Letters Patent/Design Patent and similar foreign and domestic legal protection

- In the United States  
 In all other countries or jurisdictions;

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged,

- a) I agree to transfer, and  
b) I do hereby transfer.

to Assignee, its successors and assigns, effective as of February 2, 2018, *nunc pro tunc*, the entire right, title and interest that I have in the above named countries and jurisdictions in and to the following including the right to sue for past infringement: the invention/design, the above-identified applications, all applications from which any of the above-identified applications claim priority, corresponding U.S. and non-U.S. applications, any continuation, division, renewal, or substitute for the applications, all Letters Patent/Design Patent, any reissue, re-examination, or similar legal protection issuing related to the Letters Patent/Design Patent, and all rights and benefits under any applicable treaty or convention, and I authorize the Director of the United States Patent and Trademark Office or foreign equivalent to issue the Letters Patent/Design Patent or similar legal protection to the Assignee.

I authorize the U.S. Attorneys handling the U.S. case for this matter and the Assignee, its successors and assigns, to add in this instrument the filing date(s) and application numbers of applications when ascertained. I further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent/Design Patent and similar legal protection, in its own name if desired, in the above named countries and jurisdictions and appoint Assignee the common representative in the above-identified international application and any international application for the invention.

I represent to the Assignee, its successors and assigns, that I shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent/Design Patent and similar legal protection on the invention in any and all countries and jurisdictions, including without limitation providing testimony in any related interference, litigation or proceeding. To the extent that I, my executors or administrators are unable or unavailable to execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as Assignee, its successors
