ASSIGNMENT AND AGREEMENT

WHEREAS I, Jereme Kent, having a work address of 12385 Township Rd. 215, Findlay, OH, 45840, have invented new and useful improvements in "GROUNDING DEVICES, SYSTEMS, AND ASSOCIATED KITS AND METHODS," which has/have been described in U.S. nonprovisional patent application No. 16/014,051, filed on June 21, 2018, and U.S. provisional application No. 62/523,299, filed June 22, 2017, and any and all applications claiming the benefit thereof including the right of priority (collectively "application for Letters Patent");

WHEREAS, I now own a right, title and interest therein; and

WHEREAS, One Energy Enterprises LLC, a limited liability company fully organized and existing under the laws of the State of Delaware and having a business address of 12385 Township Road 215, Findlay, Ohio, 45840, ("Assignee"), desires to acquire my entire right, title and interest in said invention and said application for Letters Patent;

NOW THEREFORE, be it known that for good and other consideration, the receipt and sufficiency of which is hereby acknowledged, I, Jereme Kent, by these presents do sell, assign, and transfer unto the Assignee, its successors, legal representatives and assigns, my entire right, title and interest in and to said invention and said application for Letters Patent, including the right to claim priority to said application for Letters Patent, for the United States of America and for all foreign countries and to all Letters Patent, continuations, reissues, and extensions to be obtained therefore; and I further agree to cooperate with the Assignee hereunder in the obtaining and sustaining of any and all such Letters Patent.

The Commissioner of Patents of the United States Patent and Trademark Office, and other officials in similar offices around the world, are hereby authorized to issue any and all Letters Patent in accordance with the terms of this Assignment to Assignee, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

I, Jereme Kent, authorize Assignee to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for the invention, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I, Jereme Kent, hereby consent that a copy of this Assignment shall be deemed a full legal and formal equivalent of any document that may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for the invention and to claim the aforesaid benefit of the right of priority.

I, Jereme Kent, request that any and all patents for the invention be issued to Assignee in the United States and in all countries foreign to the United States, or to such nominees as Assignee may designate.

I, Jereme Kent, agree that, when requested, I shall, without charge to Assignee, but at their expense, sign all papers, take all rightful oaths, and do all acts that may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection for the invention.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my signature on the date set forth hereinafter.
