ASSIGNMENT

For valuable consideration, **I, Scott Alan Blum** of Jackson, Wyoming (hereinafter referred to as "Assignor") hereby assign to **Black Card LLC**, a limited liability company organized and existing under and by the virtue of the laws of the State of Wyoming and having a place of business at 250 Veronica Lane, Suite 206, Jackson, Wyoming 83001, USA, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of a United States Patent Application filed on December 1, 2020, U.S. Serial No. 29/760,421 entitled "**VERTICAL TRANSACTION CARD**", and related applications and patents. I authorize and request an attorney appointed in said application to hereafter insert above the filing date and application number of said application when known.

This assignment includes said application, any and all United States and foreign patents granted and legal equivalents thereof in any country for any of said inventions or improvements, including, but not limited to, all divisions, continuations, reissues, examination certificates, any and all certificates issued in post-grant proceedings, continuations-in-part, and extensions thereof, and the right to claim priority based on the filing date of said application and based on the filing date of any application(s) (including provisional application (s)) of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and the right to seek relief and recover all damages, including, but not limited to, a reasonable royalty, by reason of infringement or any other violation of patent or patent application rights; and I/we authorize the Assignee to apply in all countries in my/our name/names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I/we agree for myself/ourselves and my/our heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to me/us, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.

OATH/DECLARATION

The above identified application was made or authorized to be made by me/us, the Assignor of this invention.

I/We, the Assignor, believe that I am/we are the original inventor or an original joint inventor of a claimed invention in the application.

I/We have reviewed and understand the contents of the application and am/are aware of the duty to disclose, to the United States Patent and Trademark Office, all information that is material to patentability of the invention.

I/We, the Assignor, hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Signed and Accepted by:

Scott Alan Blum
