ASSIGNMENT OF RIGHTS: PATENT APPLICATION

We are named co-inventors of US Patent Application 29/756,984, directed to a Combination Soap Saver and Palm Brush ("the invention"). This design patent application was filed November 2, 2020.

For valuable consideration, we assign all intellectual property rights in this invention and these patent applications to SoapX, LLC a Florida Limited Liability Company located at 3050 Biscayne Blvd, Ste 403, Miami FL 33137. We are the sole members and owners of SoapX, LLC. We assign 100% of our right, title, and interest in this invention (as well as such rights in any divisions, continuations in whole or part or substitute applications) to SoapX, LLC for the entire term of the issued patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications) filed claiming the benefit of the patent application. We also assign the right to sue to enforce this patent to SoapX, LLC

We authorize the United States Patent and Trademark Office to issue any patents resulting from these patent applications to SoapX, LLC according to the percentage interest indicated in this assignment. SoapX, LLC shall hold and enjoy the right, title and interest in this invention and these patent applications as fully and exclusively as if I did not make this assignment.

We further agree to: (a) cooperate with SoapX, LLC in the prosecution of the applications and foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as SoapX, LLC lawfully may request to obtain or maintain the Patent for the invention in any and all countries.
