ASSIGNMENT

WHEREAS, we, Massimo Minale, of London, United Kingdom, and Martin Preen, of Stamford, United Kingdom, believe we are the inventors of certain improvements in a COLLAR AND LEASH (design), for which a patent application having the above-indicated title was or will be filed with the U.S. Patent and Trademark Office on July 31, 2020 as Serial No. 29/744,802; and

WHEREAS, Buster and Punch Limited, a United Kingdom company, having its principal place of business at 29 St. Peters Street, Stamford, PE9 2PF, United Kingdom, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, we, Massimo Minale and Martin Preen, have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to Buster and Punch Limited, its successors and assigns, any and all right, title, and interest we have to the above-identified patent application, to all inventions disclosed in the above-identified patent application, to all patents issuing therefrom, to all applications and patents claiming benefit of or claiming priority to the above-identified patent application, to all PCT, reissue, continuation, and/or divisional patent applications and patents of the above-identified patent application, and to all applications and patents continuing at least in part from the above-identified patent application, in the United States, its territories, and in any and all foreign countries.

We hereby authorize and request the officials in the U.S. Patent and Trademark Office and in the Patent Office of any and all foreign countries to issue any and all patents, when granted, to Buster and Punch Limited, or its successors or assigns, as the assignee of our entire right, title, and interest in and to the same.

Further, we hereby acknowledge and agree that at the time of execution of this assignment, we have good and full right and lawful authority to execute this assignment and to convey the above-indicated rights to Buster and Punch Limited, its successors and assigns. If the serial number and/or filing date of the above-identified patent application are not known or included on this assignment at the time of execution, we hereby authorize Buster and Punch Limited, and its successors and assigns, to add such serial number and/or filing date hereto.

Further, we agree that we will communicate to Buster and Punch Limited, or its representatives, any facts known to us regarding the subject matter of the above-identified patent application, all inventions disclosed therein, and the history thereof, and testify in any legal

proceedings, sign all lawful papers, execute all related U.S. and foreign patent applications, including PCT patent applications, execute all lawful documents and any assignment papers to effectuate the purpose of this assignment, make all rightful oaths, and generally do everything possible to aid Buster and Punch Limited, and its successors and assigns, to obtain and enforce proper protection for the inventions and improvements in the United States, its territories, and in any and all foreign countries.
