ASSIGNMENT

WHEREAS WE, Thomas Shumka and Jason Shumka (hereinafter called the "Assignors"), both of Unit 2 – 2260 Hunter Road Kelowna, BC V1X 7J8, are the inventors of certain inventions or improvements described in United States Patent Application No. 16243919 entitled: "METHODS, MATERIALS AND APPARATUS FOR CLEANING AND INSPECTING GIRTH GEAR SETS"

(hereinafter referred to as the "technology")

AND WHEREAS, CLEANSOLV INTERNATIONAL LTD. (hereinafter called the "Assignee") whose full post office address is Unit 2 – 2260 Hunter Road, Kelowna, BC V1X 7J8, is desirous of acquiring the entire right, title and interest in and to the said technology, and in and to the said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries;

NOW THEREFORE, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the Assignors, do hereby sell, assign, transfer and set over to the Assignee the entire right, title and interest in and to the said technology and any development of the technology disclosed therein in order to obtain or secure patent protection therefor, including any and all continuations, divisions, renewals of or substitutes for said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof, and any reissue or reissues of said Letters Patent; and we assign to and authorize the Assignee to file in our names in applications for Letters Patent for said inventions in all countries, and to claim any right of priority therefor; and we assign to and authorize the Assignee to file in our names applications for Letters Patent for said inventions or improvements in all countries, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us, had this assignment, sale and transfer not been made;

AND WE hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application(s) and said Letters Patent, in the Assignee, its successors,

assigns, nominees or legal representatives, and we agree to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND WE hereby authorize and request the Commissioner of Patents of Canada and any official of any country or countries foreign to Canada whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.
