WHEREAS:

Name and Address of Inventor:

Loren L. Hatle
21122 Grandin Wood Court
Houston, Texas 77338
Citizenship: United States of America

(hereinafter referred to as Assignor), has invented a certain invention entitled:

SURFACE TREATMENT COMPOSITION AND METHODS FOR USE

for which application for Letters Patent in the United States was filed on March 29, 2019, having Serial No. 62/826,610, and on March 27, 2020, having Serial No. 16/832,699; and

WHEREAS, Corrosion Exchange LLC, a Limited Liability Company, having a place of business at 20523 Whiteberry Court, Humble, Texas 77346 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said application (hereinafter referred to as Application), and the invention disclosed therein, (hereinafter referred to as Invention), and in and to all embodiments of the Invention, heretofore conceived, made or discovered by said Assignor, and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter referred to as Patents) thereon granted in any and all countries and groups of countries.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Assignor to have been received in full from said Assignee:

1. Said Assignor hereby sells, assigns, transfers, and conveys to Assignee the full and exclusive right, title, and interest (a) in and to said Application and said Invention; (b) in and to all rights to apply for Patents on said Invention in the United States and all foreign countries, patent offices, or organizations; (c) in and to any and all Applications filed and any and all Patents granted on said Invention, including each and every Application filed and each and every Patent Granted on, and any subsequent applications, continuations, continuations-in-part, divisions, and substitutions thereof; and (d) in and to each and every reissues, reexaminations, and extensions of any of said Patents.

2. Said Assignor hereby covenants and agrees to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest to said Invention herein conveyed in any and all countries and groups of countries. Such cooperation by said Assignor shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for

filing and prosecuting substitute, divisional, continuing or additional applications from said Invention; (d) for filing and prosecuting applications for reissuance of any of said Patents; (e) for interference or other priority proceedings involving said Invention; and (f) for legal proceedings involving said Invention and any applications therefor and any Patent granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions, past infringement damages, and court actions; provided, however, that the expense incurred by said Assignor in providing such cooperation shall be paid by said Assignee.

3. The term and covenants of this agreement shall inure to the benefit of said Assignee and its successors, assigns and other legal representatives, and shall be binding upon said Assignor and its respective heirs, legal representatives and assigns.

4. Said Assignor hereby warrants and represents that it has not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

This Assignment is effective as of the 29th day of March, 2019.

IN WITNESS WHEREOF, said Assignor has executed and delivered this instrument to said Assignee as indicated below.
