ASSIGNMENT

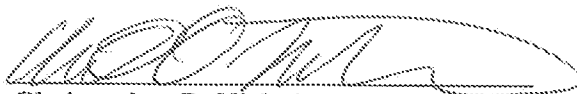

WHEREAS, I, Christopher D. Nicholson, have made certain improvements in an invention for a **FIBER TOW WRAP RESISTANT FIBER PLACEMENT HEAD** set forth in the United States Patent application number identified below; and

WHEREAS, FIVES MACHINING SYSTEMS, INC., a company located at 142 Doty Street, Fond du Lac, WI 54935, USA, is desirous of acquiring the entire right, title and interest in and to said invention;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Christopher D. Nicholson, by these presents, do hereby sell, assign and transfer unto the said company and its assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest, including all priority rights under the International Convention associated with each country of the Union, in and to said invention as described in the above identified patent application, and in and to said application and any Letters Patent that may be granted in pursuance of said applications and any divisional, continuation or continuation-in-part application thereof, and in and to any reissue and reexamination of any such patents and in and to any patent applications which may be filed on said invention in countries foreign to the United States and any Letters Patent granted thereon.

I hereby authorize and request our attorney, E. Colin Cicotte, of REISING ETHINGTON P.C., 755 W. Big Beaver Rd., Suite 1850, Troy, MI 48084, to insert here in parentheses the application serial number and filing date of said United States Patent Application when known (62 / 949,655 filed on the 12th day of December 20 19).

I further authorize said company to apply for foreign patents on said invention in its own name or through its designees, including subsidiaries, related companies or assignees, under the International Convention or otherwise, and I further agree to execute all papers, including those required for the United States and foreign applications, and to perform such other proper acts as said company may deem necessary to secure to said company or its designees the rights herein assigned.
