2. To any extent that Assignor assigned or had an obligation to assign any respective of the Assigned Patent Applications to MVI, Assignor does hereby confirm that Assignor has assigned and set over to MVI all of Assignor's entire right, title and interest in and to the respective of the Assigned Patent Applications for good and valuable consideration, the receipt of which is acknowledged by Assignor; and MVI does hereby confirm that it has assigned and set over to Assignee all of MVI's entire right, title and interest in and to the respective of the Assigned Patent Applications for good and valuable consideration, the receipt of which is acknowledged by MVI.

3. To the extent that Assignor did not assign or have an obligation to assign any respective of the Assigned Patent Applications to MVI, Assignor does hereby confirm that Assignor has assigned and set over to Assignee all of Assignor's entire right, title and interest in and to the respective of the Assigned Patent Applications for good and valuable consideration, the receipt of which is acknowledged by Assignor.

4. Assignor and MVI do hereby confirm that they have assigned and set over to Assignee all of Assignor's entire right, title, and interest in and to the Assigned Patent Applications and any and all of MVI's entire right, title, and interest in and to the Assigned Patent Applications.

5. In an abundance of caution and to any extent necessary, Assignor does hereby assign, transfer and set over to Assignee, which does hereby accept, Assignor's entire right, title, and interest in and to the Assigned Patent Applications.

6. In an abundance of caution and to any extent necessary, MVI does hereby assign, transfer and set over to Assignee, which does hereby accept, MVI's entire right, title, and interest in and to the Assigned Patent Applications.

7. In an abundance of caution, the parties wish to confirm, and hereby confirm, that Assignor and MVI retain no right, title, or interest in and to the Assigned Patent Applications and that any right, title, or interest in and to the Assigned Patent Applications which Assignor or MVI may have held or do hold has been and is hereby assigned to Assignee.

8. Assignor and MVI agree to provide cooperation reasonably necessary to obtain, perfect, maintain, enforce, and defend the Assigned Patent Applications in this or any foreign country or before any international organization (such as executing and delivering confirmatory assignments, affidavits, and other documents and providing information and materials).

9. The parties hereby authorize the United States Patent and Trademark Office to issue any and all patents, including any re-examination and re-issue patents, that may be granted upon any of the Assigned Patent Applications in the name of Assignee.

10. This Assignment Agreement may be executed in counterparts.
