ASSIGNMENT OF PATENT RIGHTS

WHEREAS, Thomas Jon Wilcox and Jack David Wilson, both Wisconsin residents (individually an "ASSIGNOR", collectively, "ASSIGNORS"), did jointly invent intellectual property and is filing a patent application today December 17, 2020 titled **Box Closure Device** with ourselves, Thomas Jon Wilcox and Jack David Wilson, as the inventors. We hereby authorize and request our attorney, Nicholas A. Brannen, (of 885 Western Avenue, Suite 100, Fond du Lac, WI 54935, to insert here in parentheses (Application number 17 125 956, filed DECEMBER 17, 2020) the filing date and application number of said application when known.

WHEREAS, ASSIGNORS desires to sell Eco-Latch Systems, LLC, a limited liability company organized and existing under the laws of the State of Wisconsin (hereafter "ASSIGNEE"), desires to acquire all of ASSIGNORS' right, title and interests in all the intellectual property regarding the designs specifically including all patent rights to the patent application being filed today and all issued patents that may result therefrom;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which to ASSIGNORS from ASSIGNEE are hereby acknowledged, said ASSIGNORS, by these presents, do hereby sell, assign, and transfer unto ASSIGNEE, its successors and assigns, the entire right, title, and interest for the territory of the United States of America, its territories and possessions, and in all foreign countries, including all rights to claim priority, said patent application and all inventions as described in said patent application; said interest to be held and enjoyed by said ASSIGNEE for its own use and behoof, and by its successors and assigns, to the full end of the term of said patent application and all patents resulting therefrom, as fully and entirely as the same would have been held by ASSIGNORS had this Assignment and sale not been made.

ASSIGNORS hereby covenant that no assignment, sale, agreement or encumbrance has been made or entered into with any party other than ASSIGNEE which would conflict with this Assignment.

ASSIGNORS further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions and said patent application and legal equivalents as may be known and accessible to ASSIGNORS and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce any patents thereof which may be necessary or desirable to carry out the purposes thereof.

This grant specifically includes, without limitation, the right to recover for any third-party infringement thereof, regardless of whether such infringement occurred before or occurs after the effective date of this Assignment.

This Assignment may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one agreement. Executed signature pages to this Assignment may be delivered by facsimile, or by scanned email copy and delivery of the Assignment containing the signature page by facsimile or email will have the same effect as if the Assignment containing an original signature had been delivered from the sending party to the receiving party.
