ASSIGNMENT, DECLARATION, AND POWER OF ATTORNEY FOR PATENT INVENTION FOR UNITED STATES

Invention:

U.S. Application No.:

Application Date (YYYY-MM-DD):

Title of Invention: INTELLIGENTLY ADJUSTED SUPPORTING MODULE AND AUTOMATICALLY
ADJUSTABLE BED

wherein the U.S. Application claims priority to Foreign Application(s) defined below:

Application No.:

Application Date (YYYY-MM-DD):

wherein the U.S. Application claims priority to International Application(s) defined below:

Int'l Application No.: PCT/CN2018/092479

Int'l Filing Date (YYYY-MM-DD): 2018-06-22

ASSIGNMENT

WHEREAS, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration paid to each of the undersigned, the receipt and sufficiency of which are hereby acknowledged, each undersigned agrees to assign, and hereby does assign, transfer and set over to the below-identified assignee or the below-identified assignees ("Assignee") and Assignee's heirs, successors, assigns and legal representatives, the entire right, title and interest for the United States of America as defined in 35 U.S.C. § 100, in the above-identified invention ("the invention"), and in all applications for patent including any and all provisional, non-provisional, divisional, continuation, international, substitute and reissue application(s), and all Letters Patent, extensions, reissues and reexamination certificates that may be granted on the invention.

WHEREAS, each undersigned agrees to execute all papers necessary in connection with any application and/or patent for the invention and also to execute separate assignments in connection with such applications and patents as the Assignee may deem necessary.

WHEREAS, each undersigned agrees to execute all papers necessary in connection with any interference or post-grant proceeding which may be declared concerning any application or patent for the invention and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or post-grant proceeding.

WHEREAS, each undersigned agrees to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

WHEREAS, each undersigned agrees to perform all affirmative acts which may be necessary to obtain, maintain or confirm by reissue or reexamination a grant of a valid United States patent to the Assignee.

WHEREAS, each undersigned authorizes and requests the Commissioner of the U.S. Patent and Trademark Office to issue any and all patents resulting from said application(s) to the said Assignee, as Assignee of the entire interest, and covenants that he or she has full right to convey the entire interest herein assigned, and that he or she has not executed, and will not execute, any agreement(s) in conflict herewith, and agrees that this assignment is binding on Assignor and Assignor's heirs, successors, assigns and legal representatives.

WHEREAS, each undersigned hereby grants the firm of Monami Law Group PLLC and its attorneys, including Eunyong Lee, who are associated with Customer No. 144533 the power to insert on this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
