ATTORNEY DOCKET NO.: PRESSURE RELIEF

Desert Leasing & Licensing LLC  
1995 West Alexander St.  
West Valley City, UT 84119

ASSIGNMENT

I, Jason Pittman of Sunrise, Florida, USA have invented a design entitled FIREARM WITH PRESSURE RELIEVING FEATURES hereinafter called the "invention."

Preferred embodiments of the invention are disclosed in a United States Design Patent application Serial No. 15/860,837 on January 3, 2018.

Assignee, Desert Leasing & Licensing LLC, a limited liability company of the State of Utah, having a principal place of business at 1995 West Alexander St., West Valley City, Utah, USA desires to secure the entire right, title and interest in the invention.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to us by Assignee, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO ASSIGNEE:

The entire right, title and interest in the invention in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of the application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on the invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks and such Patent Office officials in foreign countries as are duly authorized by their patent laws to

issue patents to issue any and all patents on the invention to Assignee as the owner of the entire interest, for the sole use of Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue and other United States and foreign patent applications on the invention, and all lawful documents requested by Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our abilities in the execution of all lawful documents, the production of evidence, nullification, reissue, extension or infringement proceedings involving the invention.

This assignment and agreement shall be binding upon our respective heirs and legal representatives.

SIGNED AND AGREED TO

this 21<sup>st</sup> day of March, 2018
