Assignor:

Vladimir Gluzman Peregrine
(a US citizen, a US resident)
c/o Tamr, Inc.
66 Church Street, 2nd Floor
Cambridge, MA 02138
UNITED STATES

Assignee:

Tamr, Inc.
(a Delaware corporation)
66 Church Street, 2nd Floor
Cambridge, MA 02138
UNITED STATES

WHEREAS Assignor made certain inventions and discoveries described in patent application(s) and/or issued patent(s) filed in the United States Patent and Trademark Office and/or other jurisdictions as set forth on attached **Schedule A**; and WHEREAS Assignee is desirous of acquiring any and all patent-related rights that Assignor may have, including:

- (1) rights in and to said inventions and discoveries described in said application(s) and/or patent(s);
- (2) rights in and to all applications for patent(s) on said inventions and discoveries in any and all countries;
- (3) rights in and to all improvements, divisions, continuations, reissues, and extensions thereof;
- (4) all rights of priority resulting from the filing of said patent application(s); and
- (5) all rights to recover for damages and profits for past infringements thereof.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and without reservation:

1. Assignor does hereby assign unto Assignee all of said patent-related rights throughout the world.
2. Assignor authorizes Assignee to file patent applications in Assignor's name, or in the name of Assignee or otherwise, under the International Convention or otherwise, in any or all countries on any or all of said inventions and discoveries.
3. Assignor authorizes and requests the Commissioner of Patents of the United States of America, and any official whose duty it is to issue patents, to issue to Assignee any patent on said inventions and discoveries, or any patent resulting from said inventions and discoveries.
4. Assignor agrees that, on request, and without consideration but at the expense of Assignee, Assignor will communicate to Assignee or its representatives or nominees any facts known to Assignor respecting said inventions and discoveries, testify in any legal proceedings, sign and deliver all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, deliver any and all documents, photographs, models, samples, and other physical exhibits in my control respecting said inventions and discoveries, and generally aid Assignee or its representatives or nominees to obtain and enforce proper protection for said inventions and discoveries in all countries.
5. Assignor warrants that Assignor has not knowingly conveyed to others any right in said inventions and discoveries, and that Assignor has good right to assign said inventions and discoveries to Assignee without encumbrance.

WHEREAS Assignor made certain inventions and discoveries described in patent application(s) and/or issued patent(s) filed in the United States Patent and Trademark Office and/or other jurisdictions as set forth on attached **Schedule A**; and WHEREAS Assignee is desirous of acquiring any and all patent-related rights that Assignor may have, including:

- (1) rights in and to said inventions and discoveries described in said application(s) and/or patent(s);
- (2) rights in and to all applications for patent(s) on said inventions and discoveries in any and all countries;
- (3) rights in and to all improvements, divisions, continuations, reissues, and extensions thereof;
- (4) all rights of priority resulting from the filing of said patent application(s); and
- (5) all rights to recover for damages and profits for past infringements thereof.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and without reservation:

1. Assignor does hereby assign unto Assignee all of said patent-related rights throughout the world.
2. Assignor authorizes Assignee to file patent applications in Assignor's name, or in the name of Assignee or otherwise, under the International Convention or otherwise, in any or all countries on any or all of said inventions and discoveries.
3. Assignor authorizes and requests the Commissioner of Patents of the United States of America, and any official whose duty it is to issue patents, to issue to Assignee any patent on said inventions and discoveries, or any patent resulting from said inventions and discoveries.
4. Assignor agrees that, on request, and without consideration but at the expense of Assignee, Assignor will communicate to Assignee or its representatives or nominees any facts known to Assignor respecting said inventions and discoveries, testify in any legal proceedings, sign and deliver all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, deliver any and all documents, photographs, models, samples, and other physical exhibits in my control respecting said inventions and discoveries, and generally aid Assignee or its representatives or nominees to obtain and enforce proper protection for said inventions and discoveries in all countries.
5. Assignor warrants that Assignor has not knowingly conveyed to others any right in said inventions and discoveries, and that Assignor has good right to assign said inventions and discoveries to Assignee without encumbrance.
