ASSIGNMENT

WHEREAS WE, **THOMAS ISAACSON, RYAN DURHAM, and JASON WOLFE** (hereinafter referred to as "the Assignors"), are listed as inventors on (1) United States nonprovisional patent application entitled "**SYSTEM AND METHOD FOR MANAGING GIFTS**" (Attorney Docket No. 080-0200-CIP), and (2) "**SYSTEM AND METHOD FOR MANAGING GIFTS**" (Attorney Docket No. 080-0200-CIP-1), each of which is a continuation-in-part of and claims priority to United States nonprovisional patent application entitled "**METHOD FOR TRANSFERRING FUNDS,**" having the publication No. **2009/0234771** and filed on 13 March 2008, and United States nonprovisional patent application entitled "**METHOD FOR RULE-BASED GIFT GIVING,**" having the publication No. **2010/0023341** and filed on 29 May 2009, and United States provisional application No. 61/057,106 filed 29 May 2008; and

WHEREAS, GiftYa LLC, a company having an address at 495 Mansfield Avenue, Pittsburgh, PA, 15205 (hereinafter referred to as "the Assignee"), desires to acquire the entire right, title and interest for the United States of America and elsewhere throughout the world in and to the patent applications identified above, including any and all divisions, continuations, and continuations-in-part thereof and any and all Letters Patent which may be granted thereon, and including any and all renewals, reissues and prolongations thereto;

NOW THEREFORE, be it known that for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, we, as the Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to the inventions set forth in the Patent Applications and this non-provisional application, and all divisions, substitutions, continuations, and continuations-in-part thereof; and all Letters Patent of the United States which may be granted thereon, and all reexaminations and reissues thereof; and all rights to claim priority on the basis of the above provisional application, as well as all rights to claim priority on the basis of this application; and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, including certificates of inventions, utility models, industrial design protection, design patent protection, and other governmental grants or issuances; and all extensions, renewals, prolongations, and reissues thereof; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents;

AND, WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on the Patent Applications described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any assignment, sale, license, agreement, or encumbrance in conflict with this Assignment;

AND, WE HEREBY further covenant and agree, for the Assignor and the Assignor's legal representatives, that we will, without further consideration, communicate with the Assignee, its successors and assigns, any facts known to us respecting this invention; assist the Assignee in the prosecution of the patent application identified above; assist in the making and

PATENT

prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; testify in any interference, litigation, or other legal proceeding; sign all lawful papers when called upon to do so; execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Patent Applications in the Assignee, its successors or assigns; execute all divisional, continuation, continuation-in-part, and reissue applications; make all rightful oaths and generally do everything possible to aid Assignee, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee; and hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without compensation, but at the expense of Assignee or its representatives.

AND, WE HEREBY consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of GiftYa LLC to apply for patent or other form of protection for the inventions disclosed in the patent applications and to claim the aforesaid benefit of the right of priority.

This Assignment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute one and the same instrument. A facsimile copy of this Assignment, or any form of an electronic copy of this Assignment, including the signature pages hereto, shall be deemed to be an original.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 27 day of January, 2014.
