2. Contribution of the Transferred Assets and Assumed Liabilities.

- 2.1 On the terms and subject to the conditions set forth in this Agreement, the Parent herewith agrees to contribute, transfer, assign, deliver and otherwise convey, by way of singular succession, to its Swiss Subsidiary, on the Contribution Date, all of the Transferred Assets and the Assumed Liabilities, with a view to the Swiss Subsidiary carrying on the Business of the Swiss Branch from and after the Contribution Date, and the Swiss Subsidiary herewith agrees to accept and assume the Transferred Assets and the Assumed Liabilities on the Contribution Date (the “**Contribution**”).

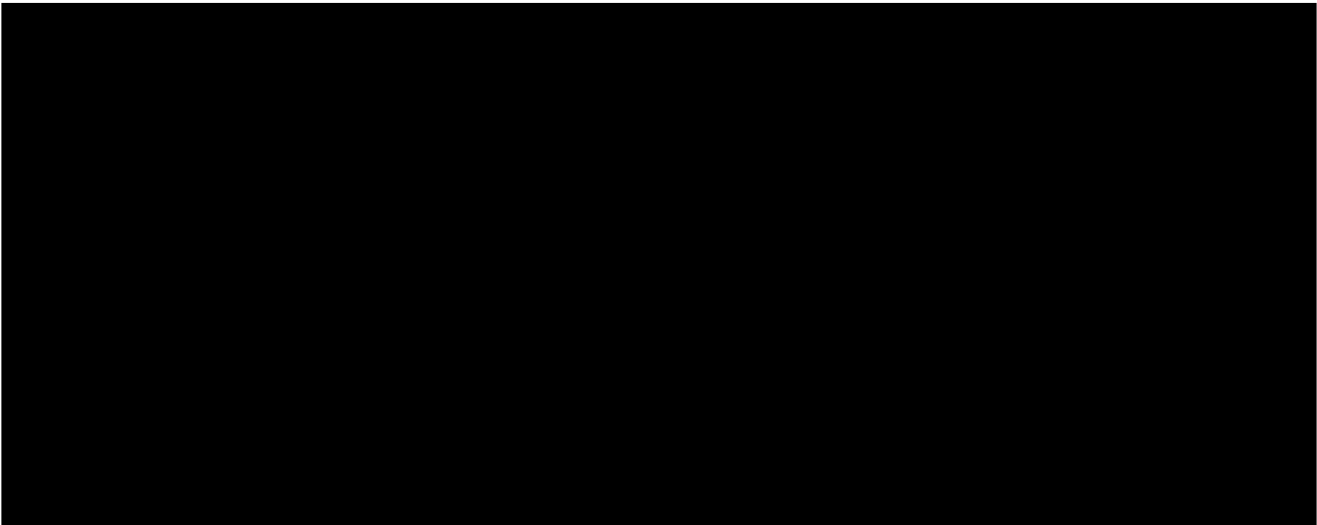

5. Completion.

- 5.1 Completion shall take place on the Contribution Date, in advance of which date the Parties shall update any of the Exhibits and/or Schedules to this Agreement as is necessary to accurately reflect the Transferred Assets and Assumed Liabilities being transferred.
- 5.2 Subject to the occurrence and effective as of the Contribution Date, the Parent hereby transfers and assigns all of the Transferred Assets, including all rights, title and interest therein (to the extent the Transferred Assets are not conveyed or transferred in another form) to the Swiss Subsidiary and the Swiss Subsidiary hereby accepts and assumes the Transferred Assets. This Agreement shall constitute a deed of transfer and assignment to procure the transfer of all relevant Transferred Assets that are claims and rights, including claims and rights that have arisen under the Assigned Contracts on or prior to the Effective Date. The

Parent shall comply with and take and implement any other or further transfer action that is required under applicable laws, under any contract or otherwise to fully implement, give full effect to and complete the transfer of the relevant Transferred Assets.

- 
- 5.7 The parties shall execute and the Parent shall deliver to the Swiss Subsidiary such other documentation or instrument as the parties deem necessary or appropriate to consummate the Contribution on the Contribution Date.
- 5.8 The parties intend that the assignment of the Transferred Assets to the Swiss Subsidiary and the assumption by the Swiss Subsidiary of the Assumed Liabilities shall be given economic effect from, and as of, the Effective Date. All benefits, risks and opportunities of the Business will be for the account of the Swiss Subsidiary from, and as of, the Effective Date. Consequently, all relevant acts and transactions from, and as of, the Effective Date are deemed to be made on behalf of the Swiss Subsidiary and will be booked in the accounts accordingly with the profits and losses generated in the Business from, and as of, the Effective Date being recorded in the profit and loss statement of the Swiss Subsidiary. Without limiting the foregoing, if and to the extent that the Parent suffers any loss, or receives any gain, from the Business during the period between the Effective Date and the Contribution Date, to the extent not otherwise reimbursed or compensated by the other provisions of this Agreement, the Swiss Subsidiary shall reimburse the Parent, or the Parent shall transfer to its Swiss Subsidiary, the amount necessary to put the Parent or its Swiss Subsidiary in the economic position it would have been in had the Contribution Date been the Effective Date.
- 6. Counterparty Consents.** Notwithstanding clause 5, this Agreement does not constitute an assignment or an attempted assignment of an Assigned Contract if the assignment or attempted assignment thereof would constitute a breach of that Assigned Contract, and in such cases:
- 6.1 the parties shall each use their reasonable endeavors to obtain any third party consent or waiver required to lawfully assign such Assigned Contract; and
- 6.2 with economic effect from the Effective Date, unless and until such Assigned Contract is assigned to the Swiss Subsidiary:
- (i) the Parent shall hold such Assigned Contract on trust for its Swiss Subsidiary and will account to the Swiss Subsidiary for any sums or other benefits received by the Parent in relation to such Assigned Contract without any deduction or withholding of any kind;
 - (ii) the Swiss Subsidiary shall, as its Parent's agent, perform all obligations of the Parent under any such Assigned Contract; and
 - (iii) the Parent shall do each act and thing reasonably requested of it by its Swiss Subsidiary to provide for the Swiss Subsidiary the benefit, use and enjoyment of such Assigned Contract and the right to receive any income from such Assigned Contract and to enable the Swiss Subsidiary to enforce any right or claim in relation to such Assigned Contract.
- 7. Post-Completion.**

- 7.1 If any Transferred Assets or Assumed Liabilities are not transferred to the Swiss Subsidiary for any reason at Completion and continue to be held by the Parent, then the party that discovers that such Transferred Assets or Assumed Liabilities have not been transferred shall promptly inform the other party of that fact. Thereafter, at the request of the Swiss Subsidiary, the Parent undertakes without any consideration to execute or procure the execution of such documents and to take such action as may be reasonably necessary to procure the transfer of any such Transferred Assets or Assumed Liabilities to the Swiss Subsidiary.
- 7.2 In the event that either party discovers that any kind of asset unrelated to the Business is transferred to the Swiss Subsidiary at Completion, the party that discovers that such assets have inadvertently transferred shall promptly inform the other party of that fact. Thereafter, at the request of the Parent, the Swiss Subsidiary undertakes without any consideration to execute or procure the execution of such documents and to take such action as may be reasonably necessary to procure the transfer of any such asset to the Parent.
- 8. Risk and Benefit.**
- 8.1 Benefit and risk (Nutzen und Gefahr) in respect of all the Transferred Assets and the Assumed Liabilities shall pass to the Swiss Subsidiary as of the Effective Date.
- 8.2 The parties shall make the necessary adjustment payment(s) to each other in order to reflect the above allocation of risk and benefit and to correct for any erroneous payment by third parties. Neither party shall charge any cost for such payments.
- 9. Representation and Warranties.** The parties hereby explicitly exclude any representation and warranties with respects to the Business, the Transferred Assets and the Assumed Liabilities. All remedies, including the right to rescind this Agreement following Completion, shall not apply and are hereby explicitly waived. In particular, and without limitation to the foregoing, the parties hereby explicitly waive the applicability of article 23 CO, article 24 CO, article 97 CO and article 197 et seq. CO.
- 

- 11. Transfer of the Intellectual Property.** Parent shall from time to time, at the request of and without further cost or expense to the Swiss Subsidiary, execute, acknowledge and deliver such other further assignments, conveyances, and other assurances, documents, and instruments of transfer reasonably requested by the Swiss Subsidiary in connection with the Transferred IP, and

take such other actions consistent with the terms of this Agreement as may reasonably be requested in order to assign, transfer, grant, convey, and confirm to Swiss Subsidiary the Transferred IP or otherwise consummate the transactions contemplated hereby. In particular, the Parent shall, as the case may be, sign all documents, make all declarations and take all actions which are necessary or appropriate for the registration of the Swiss Subsidiary, and the cancellation of the Parent, in and from relevant registers regarding the Transferred IP.

- 12. Taxes.** Each party shall pay its own taxes, if any, in relation to the transactions contemplated by this Agreement. In relation to Swiss VAT, the parties agree that the notification procedure pursuant to section 38 of the VAT Act shall be applicable

13. General.

- 13.1 Neither party shall assign, transfer, charge, make the subject of a trust or deal in any other manner with this Agreement or any of its rights under this Agreement or purport to do any of the same without the prior written consent of the other party; provided that, notwithstanding anything to the contrary in this Agreement, either party may collaterally assign its rights under this Agreement to the Collateral Agent under the Loan Documents (as defined in the Credit Agreement).
- 13.2 This Agreement shall be binding upon and shall survive for the benefit of the personal representatives and successors-in-title of each party.
- 13.3 No person who is not a party to this Agreement shall have any rights under this Agreement, including any right to enforce or rely on a provision of this Agreement.
- 13.4 This Agreement, together with all documents entered into or to be entered into pursuant to the terms of this Agreement, constitutes the entire agreement between the parties with respect to all matters referred to in this Agreement. This Agreement supersedes and extinguishes all previous agreements between the parties relating to such matters.
- 13.5 No amendment of or variation to this Agreement shall be effective unless made in writing and signed by or on behalf of each of the parties.
- 13.6 Each provision of this Agreement is severable and distinct from the others. If at any time any provision of this Agreement is or becomes unlawful, invalid or unenforceable to any extent or in any circumstances for any reason, it shall to that extent or in those circumstances be deemed not to form part of this Agreement but (except to that extent or in those circumstances in the case of that provision) the legality, validity and enforceability of that and all other provisions of this Agreement shall not be affected in any way.
- 13.7 Each party shall (at its own expense) promptly execute and deliver such documents, perform such acts and do such things as the other party may reasonably require from time to time for the purpose of giving full effect to this Agreement.
- 13.8 Unless otherwise provided, all costs and expenses in connection with the negotiation, preparation, execution and performance of this Agreement, and any documents referred to in it, shall be borne by the party that incurred the costs.
- 13.9 This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original. All the counterparts shall together constitute one and the same

agreement, which shall be deemed executed when counterparts executed by the Parties are delivered.

- 13.10 This Agreement shall be governed by and interpreted in accordance with the substantive laws of Switzerland (to the exclusion of Swiss private international law and of international treaties, in particular, the Vienna Convention on the International Sale of Goods dated 11 April 1980). Non-contractual obligations (if any) arising out of or in connection with this Agreement (including its formation) shall also be governed by the substantive laws of Switzerland (to the exclusion of Swiss private international law and of international treaties, in particular, the Vienna Convention on the International Sale of Goods dated 11 April 1980).
- 13.11 Any and all disputes arising out of or in connection with this Agreement, including but not limited to disputes on the validity, enforceability and termination of this Agreement and the consequences of that termination, shall be submitted to the jurisdiction of competent court in Zug, Switzerland.
