**CESARONI AEROSPACE INCORPORATED  
PATENT ASSIGNMENT**

This Patent Assignment ("Assignment") is made by and between Cesaroni Technology Incorporated, a Florida Corporation having a registered principal address of 1144 Tallevast Road, Suite 108, Sarasota, FL 34243 ("Assignor"); and Cesaroni Aerospace Incorporated, a Florida Corporation having a registered principal address of 2280 Commerce Court, Bowling Green, FL 33834, ("Assignee"); collectively referred to as the "Parties."

**Whereas**, the Assignor owns the entire right title and interest in and to the patents and patent applications set forth on Attachment A attached hereto; and

**Whereas**, the Assignee desires to acquire the entire right, title, and interest in the inventions set forth in Attachment A and any U.S. Letters Patents that may issue thereon;

**Now therefore**, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree to as follows:

The Assignor does hereby sell, assign, and set over unto Assignee, and the Assignee's legal representative, successors, and assigns, the Assignor's entire right, title, and interest in the Invention(s) including those identified in Appendix A hereof, and in and to any and all previous and subsequent United States patents, applications, registrations, all divisional, continuation, continuation-in-part, reissues, reexaminations, renewals or extensions, or any legal equivalent thereof, related to the Invention(s), and all Letters Patents, Registrations, or comparable rights issuing thereon in the United States and in and to any and all rights including the right of priority therefore under any international conventions, treaties, or otherwise, the same to be held and enjoyed by Assignee in its own use and the use of its successors, legal representatives and lawful assigns, to the full end of the term or terms for which any such patent or other right has been or may be granted as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made, including the right to sue for and recover damages for past infringements.

Assignor hereby authorizes the law firm of Boyle Fredrickson, S.C. the power to insert in this instrument any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.

Assignor further agrees to execute any and all papers necessary to accomplish the transfer of the Invention(s) to Assignee and the Assignee's legal representative, successors, and assigns and to apply for, obtain, maintain, issue and enforce said Patents and Patent Applications for said inventions.

————— **Signature Page Follows** —————

In witness whereof, Assignor has executed and delivered this Assignment on this 13 day of NOVEMBER 2020.

Name: ANTHONY J. CESARONI

Title: PRESIDENT AND CEO

On behalf of Assignor: Cesaroni Technology Incorporated

I acknowledge that I was personally present and saw the above-named assignor, whom I personally know, execute this assignment on the date listed above.
