ASSIGNMENT

WHEREAS, I,

[Junjian LIU], am an employee of INNOVENT BIOLOGICS (SUZHOU) CO.,LTD., and a citizen of the United States, having a mailing address of 168 Dongping Street, Suzhou Industrial Park, Suzhou, Jiangsu, and I am a co-inventor of an invention that is the subject of a patent application ("Application") which is entitled [ANTI-IL-23P19 ANTIBODY AND USES THEREOF], filed as an international application under the Patent Cooperation Treaty ("PCT"), with the China National Intellectual Property Administration("CNIPA") acting as Receiving Office.

on [November 27,2019] and accorded Serial Number [PCT/CN2019/121261].

WHEREAS INNOVENT BIOLOGICS (SUZHOU) CO.,LTD. ("INNOVENT"), corporation, organized under the laws of China, having its principal place of business at 168 Dongping Street, Suzhou Industrial Park, Suzhou, Jiangsu, China 215123, wishes to acquire the entire interest in all inventions disclosed in such Application;

NOW, THEREFORE, in consideration of my employment, any agreements related thereto, or other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to INNOVENT, its successors and assigns (collectively "Employer") my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in any country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications filed under the PCT and supplementary protection certificates; and any related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by Employer, or any subsequent owner, for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to Employer not been made.

I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

I agree to communicate to Employer or any subsequent owner any facts known to me relating to such inventions or the history thereof. I further agree with Employer that upon request I will, without further consideration than that now paid, but at the expense of the Employer or any subsequent owner of the application, execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and do all other acts which, in the opinion of counsel for the patent owner, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to Employer in all countries where Employer or any subsequent owner may desire to have such inventions, or any of them, patented,

with specifications and claims in such form as shall be approved by counsel for the owner.
