ASSIGNMENT

WHEREAS We, **Andrew H. Koehl**, having a current or former mailing address of c/o Owlstone Inc., 19 Ludlow Road, Westport CT 06880 USA, and **Max Allsworth**, having a current or former mailing address of 10 Albert Road, Buckhurst Hill, Essex IG9 6EH Great Britain, (collectively known as "Assignors"), have made a certain new and useful invention as set forth in the following patent applications:

Country	Serial No.	Filing Date
GB	1712712.7	August 8, 2017
PCT	PCT/GB2018/052246	August 7, 2018
US	16/637,356	February 7, 2020

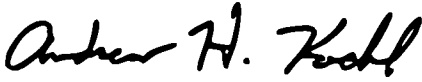

AND WHEREAS, **Owlstone Medical Limited**, a corporation, having an address of 183 Cambridge Science Park, Milton Road, Cambridge CB4 0GJ Great Britain, and **Owlstone Inc.**, a corporation, having an address of 19 Ludlow Road, Westport, CT 06880, (collectively known as "Assignees"), are desirous of acquiring equal portions of the entire right, title and interest in and to said invention, and in and to any and all Letters Patent of the United States and all foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignees, their legal representatives, successors, and assigns, the entire right, title and interest in and to said invention, including the right to claim priority under 35 U.S.C. § 119 and/or § 120 and the right to sue for past infringement, as set forth in the above-mentioned applications, including said applications and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and all foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, Assignor hereby agrees not to execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration but at the expense of Assignees, execute such

additional assignments and other writings and do such additional acts as Assignees may deem necessary or desirable to perfect Assignees' enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignor and Assignees;

AND, Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to Assignees, their legal representatives, successors or assigns, as the owners of the entire right, title and interest in and to said patent and the invention covered thereby.
