ASSIGNMENT

WHEREAS, I, Jay Michaelson, have invented certain new and useful inventions and designs described and claimed in the applications for United States Letters Patent listed in Exhibit A (“Applications”);

WHEREAS, HandsOn Equine, LLC, a Texas Limited Liability Company, having an address of 7576 Retta Mansfield Road, Mansfield, TX 76063 (“ASSIGNEE”), desires to acquire all right, title, and interest in and to the Applications and inventions and designs described and claimed in the Applications, and any Letters Patent issuing from the Applications in the United States and in all foreign countries;

NOW THEREFORE, be it known I, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is acknowledged, sell, assign, and transfer unto ASSIGNEE, their successors, legal representatives, and assigns, the Applications and the inventions and designs described and claimed therein for the territory of the United States of America and all continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications under the Patent Cooperation Treaty; all applications under the Hague Agreement Concerning the International Registration of Industrial Designs; all applications for extension filed or to be filed for the inventions or designs; and all Letters Patent, Invention or Design Registrations, Utility Models, Extensions, Reissues, and other patent or registration rights obtained for the inventions or designs described and claimed in the Applications in the United States of America or any other country;

I also assign any right, title, and interest in and to the Applications and the inventions and designs described and claimed therein that have not already been transferred to the ASSIGNEE;

I warrant that I have made no assignment of the Applications, inventions, designs, patents, registrations, or other protections therefor to a party other than ASSIGNEE and I am under no obligation to make any assignment to any other party; and

I further agree to cooperate with the ASSIGNEE in the obtaining and sustaining of any and all such Letters Patent and other protections contemplated herein and in confirming ASSIGNEE’s exclusive ownership of the Applications and the inventions and designs described and claimed therein, but at the expense of ASSIGNEE.

I have reviewed and understand the contents of the Applications, including, if applicable, the claims thereof, which may have been amended by a preliminary amendment filed with the application or which is contemplated. I affirm the Applications were made or authorized to be made by me. I acknowledge the duty to disclose information material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application. I hereby acknowledge that any willful false statement regarding inventorship of the Applications may be punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Commissioner of Patents is authorized and requested to issue any U.S. Letters Patent solely in accordance with the terms of this Assignment, to HandsOn Equine, LLC, their successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, the party hereto have executed this Assignment as of the date indicated below.
