for which the undersigned owns an application for patent or trademark, together with said application, all divisionals, continuations, continuations-in-part, reissues, and extensions thereof, and all Letters Patent and registered trademarks (domestic and foreign) which may be granted therefor. Such interest represents the entire ownership of said applications, Letters Patent, and registered trademarks when granted or registered and is to be owned by GQRC Technologies, LLC, its successors, and assigns, or their legal representatives, for the full and entire term for which such Letters Patent may be granted or extended, as fully and entirely as the same would have been enjoyed by the ConduSiv Technologies Corporation if this assignment had not been made.

In addition, the undersigned hereby agrees:

1. To sign and execute any further documents which may be necessary or desirable, lawful, and proper in connection with the prosecution of any of the above applications for patent(s) or trademark(s), including without limitation said application and all divisions, continuations, continuations-in-part, amendments thereof, and all interference proceedings associated therewith, or otherwise necessary or desirable to secure the title thereto to GQRC Technologies, LLC;
2. To execute all papers and documents and to perform all lawful acts which may be necessary in connection with claims to priority or otherwise under the International Convention for the Protection of Industrial Property or similar treaties or agreements;
3. To perform all lawful affirmative acts which may be necessary to obtain the grant of a valid and enforceable patent or trademark to GQRC Technologies, LLC.

The Undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States to issue any and all Letters Patent resulting from said application, including without limitation any division, continuation, continuation-in-part, or reissue thereof to GQRC Technologies, LLC.
