”

U.S. Provisional Patent Application No. 62/438,399, filed December 22, 2016 and entitled “Corn Husking Rollers System and Method”;

U.S. Provisional Patent Application No. 62/438,405, filed December 22, 2016 and entitled “Grip-Enhanced Material System and Method”;

U.S. Provisional Patent Application No. 62/438,411, filed December 22, 2016 and entitled “Grip-Enhanced Separator Screen Star System and Method”; and

U.S. Patent Application No. 15/851,431, filed December 21, 2017 and entitled “Modular Star for Grading, Cleaning and Transporting Produce”;

and

WHEREAS, NW Polymers, a company incorporated under the laws of the state of Oregon, having its principal place of business in Hillsboro, Oregon, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I, James A. TUTTLE sell, assign, and transfer to NW Polymers, its successors and assigns, the full and exclusive right to the Inventions in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Patents that may be granted therefor in the United States and its territorial possessions and in any and all foreign

countries, and in and to any and all subsequent, related provisional applications, U.S. non-provisional applications, divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of the Patents, when granted, to NW Polymers, as the assignee of my entire right, title, and interest in and to the same, for the sole use of NW Polymers, its successors and assigns.

Further, I hereby covenant and agree to and with NW Polymers, and its successors and assigns, at the time of execution and delivery of the Inventions, that I am the sole and lawful owner of the entire right, title, and interest in and to the Inventions and the above-identified patent applications, that the same are unencumbered, and that I have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, I agree that I will communicate to NW Polymers, or its representatives, any facts known to me respecting the inventions, and testify in any legal proceedings, sign all lawful papers, execute all subsequent, related provisional, U.S. non-provisional, divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of the Patents to be issued to NW Polymers, make all rightful oaths, and generally do everything possible to aid NW Polymers, and its successors and assigns, to obtain and enforce proper protection for the Inventions in the United States and in any and all foreign countries.

Dated: 6/20/2020
