<b>BELCHER, Brett</b>	96 High St. N., Unit 1222, Thunder Bay, ON P7A 5R3, Canada

confirm that, effective as of February 28, 2019, we have sold, assigned and transferred, and do hereby sell, assign and transfer to Canadian Tire Corporation, Limited (Assignee), whose full post office address is 2180 Yonge Street, Station K, P.O. Box 770, Toronto, Ontario M4P2V8, Canada, and to the Assignee's successors, assigns or other legal representatives, our right to apply for and obtain Industrial Design Registrations, Design Patents, Certificates of Registration and Letters Patent in Canada and all other countries for an invention and design entitled COOKWARE POT WITH LID, as fully set forth and described in the following application:

Canadian Industrial Design Application No. 186288 filed February 28, 2019

and naming us as the applicants and/or inventors and/or proprietors;

together with our entire right, title, property, benefit and interest for Canada and all other countries, in and to the aforementioned application, and to any foreign applications corresponding thereto and any Industrial Design Registrations, Design Patents, Certificates of Registration and Letters Patent which may issue for the invention and design from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified application under international conventions, treaties or otherwise, the same to be held

and enjoyed as fully and exclusively as they would have been by us had this sale, assignment and transfer not been made;

And we hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications and other instruments as may reasonably be required by the Assignee to obtain Industrial Design Registrations, Design Patents, Certificates of Registration and Letters Patent in Canada and all other countries for the invention and design and vest the same in the Assignee;

We make this assignment in respect of our interest in the invention and design and aforementioned application independently of any assignment of any other proprietor, inventor or assignor.

This Assignment may be signed in counterparts and each of those counterparts shall constitute an original document and those counterparts, taken together, shall constitute one and the same instrument.

The Assignors, on behalf of themselves and their executors and administrators, do hereby authorize the Assignee, its successors, assigns, or legal representatives, including its agent of record, to amend this Assignment to insert or correct the filing date, serial number or other identifying information of the Application as may be needed to record this Assignment.
