**DECLARATION (37 C.F.R. § 1.63) FOR UTILITY PATENT APPLICATION USING  
AN APPLICATION DATA SHEET (37 C.F.R. § 1.76) AND ASSIGNMENT**

Title of Invention: IDENTIFYING CONTENT AND STRUCTURE OF OLAP DIMENSIONS FROM A  
SPREADSHEET

As a below named and undersigned inventor, I hereby declare that:

This declaration is directed to the application that was sent to me by email from thinkip@us.ibm.com  
on or about 3<sup>rd</sup> February 2020.

United States application 16/797,007 filed on 21 February 2020.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the  
application. I have reviewed and understand the contents of the application, including the claims.  
I am aware of the duty to disclose to the United States Patent and Trademark Office all information  
known to me to be material to patentability as defined in 37 C.F.R. § 1.56.

=====  
Whereas, I (“ASSIGNOR”) have made certain inventions, improvements, and discoveries (herein  
referred to as the “Invention”) disclosed in the above-identified patent application and further  
identified by the Applicant Reference Number provided above in the header of this document;

Whereas, UNIVERSITY of YORK (herein referred to as the “ASSIGNEE”), having a place of  
business at York, YO10 5DD, United Kingdom, desires to acquire, and I desire to grant to the  
ASSIGNEE, my entire worldwide right, title, and interest in and to the Invention and in and to any  
and all patent applications and patents directed thereto;

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby  
acknowledged, I hereby sell or have sold, assign or have assigned, and otherwise transfer or have  
transferred to the ASSIGNEE, its successors, legal representatives, and assigns, my entire worldwide  
right, title, and interest in and to the Invention, the above-identified United States patent application,  
and any and all other patent applications and patents for the Invention which may be applied for or  
granted therefor in the United States and in all foreign countries and jurisdictions, including all  
divisions, continuations, reissues, re-examinations, renewals, extensions, counterparts, substitutes, and  
extensions thereof, and all rights of priority resulting from the filing of such applications and granting  
of such patents. In addition, I hereby authorize and request the Director of the United States Patent  
and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any  
foreign patent, granted for the Invention, to the ASSIGNEE, its successors, legal representatives, and  
assigns, my entire worldwide right, title, and interest in and to the same to be held and enjoyed by the  
ASSIGNEE, its successors, legal representatives, and assigns to the full end of the terms for which  
any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by  
me had this Assignment not been made; and I agree to execute any and all documents and instruments  
and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the  
Invention and all related patents and applications, in the ASSIGNEE, its successors, legal  
representatives, and assigns, whenever requested by the ASSIGNEE, its successors, legal  
representatives, or assigns.

APPLICANT REFERENCE NUMBER: P201907195US01

I acknowledge my prior and ongoing obligations to sell, assign, and transfer my rights under this Assignment to the ASSIGNEE and am unaware of any reason why I may not have the full and unencumbered right to sell, assign, and transfer my rights hereby sold, assigned, and transferred, and have not executed, and will not execute, any document or instrument in conflict herewith. I also hereby grant the ASSIGNEE, its successors, legal representatives, and assigns, the right to insert in this Assignment any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for recordation of this Assignment. This Assignment is governed by the substantive laws of the State of New York, and any disputes will be resolved in a New York state court or federal court sited in New York.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
