ASSIGNMENT OF US DESIGN PATENT APPLICATION

The undersigned (hereinafter collectively referred to as the Assignor), in consideration of the sum of one dollar (\$ 1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby sell, assign and transfer to:

SARIANA, LLC

(hereinafter referred to as the Assignee), of

**7365 Mission Gorge Road, Suite G
San Diego, CA 92120**

my entire right, title and interest for the United States of America as defined in 35 U.S.C. § 100, and throughout the world in the invention entitled:

CHARGER FOR ELECTRONIC DEVICES

for which a US Design Patent Application was filed on September 9, 2020 (also known as United States Patent Application Serial Number 29/749,876) and for any and all patent application(s) claiming priority thereto including any continuing United States design application, any regional or national patent application or community design application filed in any country in the world; the right, title and interest to be held and enjoyed by the Assignee for his own use, and for his own legal representatives and assigns, for the full term for which a patent is granted and a community design is registered.

The Assignor hereby agrees to execute all papers necessary in connection with the prosecution of this US Design Patent Application and its reissue, as well as for any patent application or community design application filed in any country in the world claiming priority thereto, including but not limited to any declaration of inventorship, and also agrees to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The Assignor hereby represents to have full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict therewith.

The Assignor hereby grants the Attorneys and Agents listed on USPTO customer number 59538 power to insert in this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
