ASSIGNMENT

Applicant: BacterioScan LTD.

Title: "Counting Bacteria And Determining Their Susceptibility To Antibiotics"

WHEREAS, I, BacterioScan LTD., a corporation organized and existing under the laws of the State of Israel, and having offices at P.O. BOX 73, South Industrial Zone Migdal Haemek 23100, Israel ("Assignor"); own a Letter Patent of the United States no. 8,339,601, entitled " Counting Bacteria And Determining Their Susceptibility To Antibiotics ", the Letter Patent has been executed on 25 December 2012, and is being also identifiable as United States Patent Application no. 12/085,708, filed on 29 May, 2008; and

WHEREAS, IP SPECIALISTS LTD., a corporation organized and existing under the laws of the State of Israel, and having offices at 15 Ma'ale Hashichrur St., Haifa Israel ("Assignee"); is desirous of acquiring the entire, right, title and interest in and to the invention and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefore;

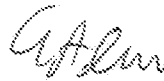

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I the Assignor transfer to Assignee, its successors and assigns, my entire right, title and interest in and to the invention and all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and I authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and serial number of the application when ascertained.

I authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.

ASSIGNMENT

Applicant: BacterioScan LTD.

Title: "Cuvette Assembly Having Chambers For Containing Samples To Be Evaluated Through Optical Measurement"

WHEREAS, I, BacterioScan LTD., a corporation organized and existing under the laws of the State of Israel, and having offices at Kibbutz Eilon, P.O.B. 260, MP Western Galilee 22845, Israel ("Assignor"); own a Letter Patent of the United States no. 10,668,466, entitled " Cuvette Assembly Having Chambers For Containing Samples To Be Evaluated Through Optical Measurement ", the Letter Patent has been executed on 02 June 2020, and is being also identifiable as United States Patent Application no. 16/050,105, filed on 31 July, 2018; and

WHEREAS, IP SPECIALISTS LTD., a corporation organized and existing under the laws of the State of Israel, and having offices at 15 Ma'ale Hashichrur St., Haifa Israel ("Assignee"); is desirous of acquiring the entire, right, title and interest in and to the invention and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I the Assignor transfer to Assignee, its successors and assigns, my entire right, title and interest in and to the invention and all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and I authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

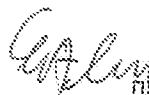

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and serial number of the application when ascertained.

I authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own

name if desired, in any and all foreign countries.

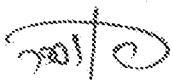

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
