## ASSIGNMENT

WHEREAS I, the below named inventor (hereinafter referred to as Assignor), have made an invention entitled:

### DECORATIVE DECAL DEVICE WITH LIGHT

for which I executed a provisional application filed in the U.S. Patent and Trademark Office on January 16, 2019, identified in the USPTO by U.S. Provisional Patent Application No. 62/793,056, and a non-provisional application filed in the USPTO on January 15, 2020, and identified in the USPTO by U.S. Non-Provisional Patent Application No. 16/743,363; and

WHEREAS, Adfoled International B.V., a corporation of The Netherlands, whose post office address is **Ampèrestraat 1, 8091XX Wezep, The Netherlands** (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the provisional application, the non-provisional application, and any application claiming priority to these applications, including any application for United States Letters Patent on this invention and the Letters Patent to be issued upon such an application;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention, U.S. Provisional Patent Application No. 62/793,056, U.S. Non-Provisional Patent Application No. 16/743,363, and all non-provisional applications, as well as divisional and continuation applications thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
