ASSIGNMENT

U.S. Application Serial No. 15/370,745

Filed: December 6, 2012

EFFECTIVE DATE: This Assignment is effective as of December 6, 2016.

IN CONSIDERATION of One Dollar (\$1.00) and other good and valuable consideration the receipt of which is hereby acknowledged, the entire right title, and interest in the invention or improvements of the undersigned in MOTOR AND PUMP SYSTEM, and in the application for Letters Patent of the United States therefor, executed by the undersigned concurrently herewith, and in any reissue or extension of any Letters Patent that may be granted upon said application are hereby assigned by the undersigned to MICRO INFINITY FLOW, LLC, a company registered under the laws of Massachusetts, and having an address of Eight Stonybrook Street, Ludlow, Massachusetts, 01056, and the successors, legal representatives and assigns of MICRO INFINITY FLOW, LLC (hereinafter collectively called said Assignee), and the Commissioner of Patents and Trademarks is hereby authorized and requested by the undersigned to issue said Letters Patent to said Assignee.

FOR SAID CONSIDERATION, it is hereby agreed by the undersigned, upon the request of said Assignee to execute any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of any divisional or continuing application thereof or for the filing or prosecution of any application for the reissue or extension of any Letters Patent that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for the said consideration it is further agreed by the undersigned, upon the request of said Assignee, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue therefor, becoming involved in Interference, ex parte, or inter partes proceeding, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said consideration, the entire right title and interest in said invention or improvements, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other Conventions, and the rights to file applications for patent in said Assignee's own name for said invention or improvements in each and every country of the works are hereby assigns and granted by the undersigned to said Assignee. It is further agreed by the undersigned, upon the request of said Assignee, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said Assignee. The undersigned also further agrees, for the said consideration, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring the resulting Letters Patent

in the United States or foreign countries. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony.
