ASSIGNMENT

Assignor: Andrew T. Neal, Andy Neal Lighting Limited, ANL Lighting LLC, ANL Lighting, LLC, LitGreen, Inc., Lit Green MK2, Lit Green MK2 Partnership

Assignee: Southgrove Road Trust, a New York Trust

1. Assignors represent that one or more of them is the owner of the patents and patent applications listed in Exhibit 1, and of all foreign and domestic patents, patent applications, including continuations, divisionals, continuation-in-part applications, reissues, re-examinations, certificates of invention, and the like that derive priority from, or claim the benefit of the filing date of, the patents and patent applications listed in Exhibit 1 (the "Patents and Patent Applications") and of all new and useful inventions and improvements that are disclosed in the Patents and Patent Applications (the "Inventions"). The Patents and Patent Applications and the Inventions are collectively referred to as the "Patent Assets."
2. Assignors represents that one or more of them is the owner of the trademarks listed in Exhibit 2 (the "Trademarks"), which were and are adopted and used by Assignor in New York and throughout the United States. These trademarks, together with the good will of the business in connection with which the Trademarks are used in the United States, along with any substantially similar trademark rights or good will used and/or recognized outside the United States are collectively referred to as the "Trademark Assets."
3. Assignors hereby assign to Assignee their entire worldwide right, title, and interest in and to the Patent Assets, including the right to file and prosecute, in Assignee's name wherever so permitted by law or in the name of Assignor wherever necessary, patent applications, including corresponding and continuing applications, reissues, re-examinations, certificates of invention, and the like based on any of the Patent Assets, and to claim priority to any of the Patents and Patent Applications pursuant to the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. Assignor acknowledges receipt of fair and adequate consideration for this Assignment.
4. Assignors hereby assign to Assignee their entire worldwide right, title, and interest in and to the Trademark Assets, together with the good will of the business in connection with which

the Trademarks are used. Assignor acknowledges receipt of fair and adequate consideration for this Assignment.

5. Assignors hereby assign to Assignee all of Assignor's right, title, and interest in and to any claims, whether known or unknown, suspected or unsuspected, of any nature, that any Assignor has or may have against any party for infringement of the Patents and Trademarks, and acknowledge receipt of fair and adequate consideration for this Assignment.
6. Assignors shall, when requested by Assignee (i) execute or cause to be executed all rightful oaths, assignments, and powers of attorney to Assignee or to agents and legal representatives of Assignee, and all other papers necessary and proper to carry out the intent and purpose of this Assignment, (ii) execute all papers necessary in connection with the Patents and Patent Applications, and any continuing, divisional, reissue, reexamination or other corresponding application thereof or post-grant proceeding relating thereto and to execute any separate assignment in connection with any such application as Assignee may deem necessary or expedient; (iii) perform all affirmative acts that may be necessary to obtain a grant of a valid patent to Assignee on any of the Inventions; and (iv) cooperate fully in the maintenance, prosecution, enforcement, and defense of the proprietary rights assigned by this Assignment.
7. Assignors represents that Assignors have the full right to convey the interests assigned by this Assignment, and that Assignors have not executed and will not execute any agreement in conflict with this Assignment.
8. This Assignment is binding upon and inures to the benefit of the successors and assigns of the parties.

[ASSIGNMENT CONTINUES ON SIGNATURE PAGE]

The Assignors hereby execute this Assignment.
