ASSIGNMENT OF PATENT RIGHTS

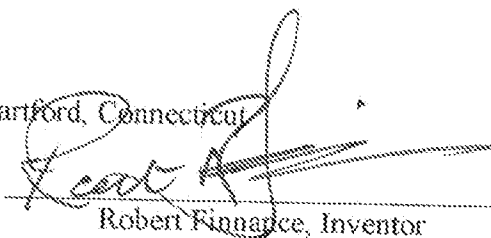

WHEREAS, I, Robert Finnance, of Hartford, Connecticut, has invented a new and useful "COFFEE BREWER", for which a United States Design Patent Application No. 29764084 was filed on December 28, 2020; and

WHEREAS, Capbran Holdings, LLC, having its principal place of business at 11601 Wilshire Blvd., Suite 2300, Los Angeles, California 90025, is desirous of acquiring the entire right, title, and interest in and to said invention, said patent application, its continuation and divisional application and any patent which may be granted and issued from such application in the United States and throughout the world.

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Robert Finnance, by these presents does hereby irrevocably sell, assign, and transfer unto said Capbran Holdings, LLC the entire right, title, and interest to said inventions and to any and all patents, which may be granted therefrom, including patent resulting from any continuation, continuation-in-part and divisional applications, in the United States and throughout the world, including the rights to past, present and future damages, including damages arising out of provisional rights, and other relief thereunder to be held and enjoyed by said Capbran Holdings, LLC for its use and for its successors and assigns to the full end of the patent terms, as the same would have been held by me as if this assignment and sale had not been made.

Robert Finnance further agrees to execute upon presentation any and all domestic and foreign applications describing and claiming said inventions without further consideration, and in conjunction therewith to execute any and all further assignments or other documents that may be required during prosecution and for filing under the International Convention or for recording in patent offices throughout the world.

Dated this 28th day of December, 2020 at Hartford, Connecticut
