ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, We, the undersigned, **Hiroshi Yokoyama** and **Mengfei Wang**

who have created a certain invention for which an application for United States Letters Patent has been

☐ executed concurrently herewith
☐ executed on _____
☒ filed as U.S. Serial No. on 16/650,037 on March 24, 2020, which is a national entry of International Application No. PCT/US2018/052529 on September 25, 2018, claiming priority of U.S. Serial No. 62/562,553 filed on September 25, 2017

and is entitled

RECURSIVE PHOTOALIGNMENT METHOD

Do hereby sell, assign and transfer to **Kent State University**, a university in the State of Ohio, having a mailing address of **P.O. Box 5190, Kent, Ohio 44242**, (hereinafter Assignee) its successors, assigns, and legal representatives, the full and exclusive right, title, and interest in and to said invention and said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, reexaminations, extensions thereof, and all other forms of protection relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties;

Agree that said Assignee may apply for and receive Letters Patent for said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reexaminations, reissues, and extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for

vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns, or legal representatives; and

Consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.
