**DECLARATION (37 C.F.R. 1.63) FOR UTILITY OR DESIGN APPLICATION AND  
ASSIGNMENT FOR SINGLE ASSIGNEE**

This is for an invention, design and/or discovery referred to or entitled "SMALL MOLECULE AGENTS, COMPOSITIONS, AND FORMULATIONS, FOR INTERNAL USE, DISPLAYING INHIBITORY ACTIVITY AGAINST GRAM-POSITIVE AND/OR GRAM-NEGATIVE ORGANISMS" (the "Invention"), which is made at least in the United States Patent and Trademark Office, and the specification of which has been filed as U.S. Patent Application No. 16/102684 on August 13, 2018, and has also been filed as International Patent Application No. PCT/US2018/046578 on August 13, 2018, and, which claims the benefit of priority to at least U.S. Provisional Patent Application No. 62/544755 filed August 11, 2017, and U.S. Provisional Patent Application No. 62/569284 filed October 6, 2017, and U.S. Provisional Patent Application No. 62/681087 filed June 5, 2018.

**Declaration**

As the below named Inventor, I hereby declare that:

I believe I am the original and joint inventor of a claimed Invention in the above-identified application(s) for which this declaration is being submitted.

The above-identified application(s) were each made or authorized to be made by me.

I have reviewed and understand the contents of the above-identified application(s), including the claims, as filed or as amended by any amendment.

The subject matter of the above-identified application(s), including the claims, was part of my invention and was invented before the filing date of any application(s) listed herein or for which a claim for priority is/was made.

I am aware of the duty to disclose to the Office all information known to me to be material to patentability as defined in 37 CFR §1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

**Assignment**

I, the undersigned ("Assignor"), having a mailing address as indicated below, hereby declare that I believe I am an original and joint inventor of the above entitled patent application.

Now therefore, be it known by all whom it may concern, that for good and valuable consideration of the sum of one dollar (\$1.00), the sufficiency of which is hereby acknowledged, I hereby sell, assign and transfer to NATUREZA, INC., having an office at 51 Monarch Drive, Suite B, Denison, TX 75020-0455, (the "Assignee"), its heirs, successors, assigns, or other legal representatives, the full and exclusive right to the Invention and the entire right, title and interest in and to the Invention and all Patent Application(s) which may be filed and granted therefore pertaining to or claiming the benefit of said Invention, and all divisional, continuation, continuation in part, substitute, renewal, reissue, extension, re-examination, re-filed, and all applications for patent which have been or shall be filed in the United States and all foreign countries on the Invention or improvements thereof; and specifically including the right to file foreign patent applications under the provisions of any national law or international convention or treaty and to claim priority based on the Patent Application(s) or the Invention.

I hereby warrant and covenant that no assignment, grant, mortgage, license or other agreement affecting or lessening the rights and property herein conveyed has been or will be made to others, and that Assignor possesses the full right to convey the same as herein expressed.

I hereby agree that I, or my heirs, successors, assigns, or other legal representatives, will do all such lawful acts and, without undue delay, execute all documents, rightful oaths, declarations, assignments, powers of attorney and other papers, as may reasonably be necessary or desirable; communicate to the Assignee all facts Assignor knows or may know relating to the Invention and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such Invention in the Assignee, and for securing, maintaining and enforcing proper patent protection for the Invention.

I hereby authorize and request the Commissioner for Patents of the United States to issue all Letters Patent based on said application and each division, continuation, substitution, reissue, renewal and extension thereof to said ASSIGNEE, its successors and assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made may be punishable in accordance with the applicable laws and regulations and that such willful false statements may jeopardize the validity of the Patent Application or any patents issued thereon.

I hereby grant Monique Vander Molen the power to insert on this document any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, such as for recordation of this document.

IN TESTIMONY WHEREOF, I have duly executed this assignment on the date as indicated above my signature and name.
