**ASSIGNMENT - PATENT APPLICATION**

I the inventor indicated below, have invented certain new and useful improvements in a Pot Stake for which an application for United States Letters Patent has been filed.

Whereas The Home Inventor's Club (hereinafter "Assignee") desires to acquire an **undivided one hundred percent (100%)** ownership interest in the aforesaid application and in the Letters Patent to be obtained therefor;

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, I/we hereby assign and transfer to Assignee, for the territory of the United States of America and all other countries, an **undivided one hundred percent (100%) ownership**, title and interest in and to said improvements and in and to said application and any Letters Patent that may be granted therefor in the United States and any other country including any division, continuation, substitute, renewal or reissue of said application or said Letters Patent. This assignment also covers any and all rights of priority both domestic and foreign.

I hereby agree to communicate to Assignee any facts known to me relating to said improvements, to testify as to the same in any interference or legal proceeding concerned therewith, to execute promptly and deliver to Assignee upon request any and all papers, instruments, declarations and affidavits required to apply for, obtain, maintain and enforce said Letters Patent, and generally to do everything necessary or desirable to vest and perfect title thereto in Assignee.

This assignment is binding upon me and my heirs, successors and personal representatives, and shall inure to the benefit of Assignee, its successors, assigns and nominees.

In testimony whereof, I have hereunto set hand as indicated below:
