ASSIGNMENT

Inventor: Joshua Joseph Wagner
721 Beville Road
South Daytona, FL 32119

Assignee: PLACEMENT LABS, LLC
721 Beville Road
South Daytona, FL 32119

Serial No.: 16/524,707

Filing Date: July 29, 2019

Title: LIVE CONTENT STREAMING SYSTEM AND METHOD

For good and valuable consideration paid to the undersigned, the receipt of which is acknowledged, Joshua Joseph Wagner ("Assignor") agrees to assign and does hereby assign, transfer, and set over unto PLACEMENT LABS, LLC having an address at 721 Beville Road, South Daytona, Florida 32119 ("Assignee"), its successors and assigns, the entire right, title and interest, including the right to claim priority, in and to the above-referenced invention and patent application in the United States (its territories, dependencies, and possessions), and worldwide rights, including, without limitation, any patents, patent applications, original, reissue, continuations, continuations-in-part, divisionals, substitutes, extensions, foreign patent application, or Patent Cooperation Treaty (PCT) patent applications that may be filed or granted therefrom, and all rights and interests of Assignor to sue for past, present and future infringement, to collect royalties and/or damages under any patents issued therefrom.

Assignor agrees to cooperate fully and execute, verify, acknowledge and deliver all papers necessary in connection with the above-referenced patent application and any continuing, divisional or reissue application(s) thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

Assignor agrees to cooperate fully and execute, verify, acknowledge and deliver all papers necessary in the prosecution of any and all U.S. and foreign counterpart(s) of the above-referenced patent application.

Assignor agrees to perform all other acts as Assignee may lawfully request to obtain or maintain the patent or patent application for the invention in any and all countries.

Assignor hereby authorizes and requests the United States Patent and Trademark Office to issue any Patents resulting from the patent application, or any divisional, continuing or reissue applications thereof to Assignee, as Assignee of the entire interest, and hereby covenants that he/she has full right to convey the entire interest herein assigned, and that he/she has not executed, and will not execute, any agreement in conflict herewith. Accordingly, the entire right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor hereby grants and authorizes attorney Benjamin M. Hamrahan (U.S. PTO Reg. No. 60,850) and the Hamrahan Law Firm, P.A. the power to insert on this assignment any further identification (e.g., Serial Number and Filing Date) which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this assignment.
