## ASSIGNMENT

*WHEREAS*, Assignor, ILYSM, LLC, a limited liability company organized and existing under the laws of the State of Utah, with a principal place of business at 6591 South Cottonwood Street, Murray, Utah 84107, is the assignee of record of the entire right, title and interest in and to the following United States Patents and Applications and the inventions disclosed therein:

United States Patent No. 10,064,905, issued September 4, 2018

United States Patent No. 10,155,018, issued December 18, 2018

United States Patent No. 10,220,063, issued March 5, 2019

United States Patent No. 10,555,927, issued February 11, 2020

United States Patent App No. 16,736,095, filed January 7, 2020

*WHEREAS*, Assignor, ILYSM, LLC wishes to assign the entire right, title, and interest in and to the said United States Patents and Applications and the inventions disclosed therein to ILYLT, LLC, a limited liability company organized and existing under the laws of Utah and having a principal place of business at 6591 South Cottonwood Street, Murray, Utah 84107.

*WHEREAS*, Assignee, ILYLT, LLC, desires to secure the entire right, title, and interest in and to said United States Patents and Applications and the inventions disclosed therein.

*NOW THEREFORE*, in exchange for good and valuable consideration paid to Assignor by Assignee, the receipt and sufficiency of which is hereby acknowledged,

### ASSIGNOR HEREBY ASSIGNS TO ASSIGNEE:

The entire right, title, and interest in and to said United States Patents and Applications and the inventions disclosed therein, and in all divisions, continuations and continuations-in-part thereof, and in any reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications which may be filed in the United States and countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries, as well as the right to sue for past infringement and damages under any and all such patents.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and such Patent Office officials in foreign countries as are duly authorized by their

patent laws to issue patents to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use of Assignee, its successors, assigns, and legal representatives.

Assignor hereby agrees, without further consideration and without expense, to sign all lawful papers and to perform all other lawful acts which Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue and other United States and foreign patent applications on the invention, and all lawful documents requested by Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension or infringement proceedings involving the invention.
