US and CA ASSIGNMENT
EQUINOVUM BV TO EQUINOVUM LLC

WHEREAS, EQUINOVUM BV, a private limited company organized and existing under and by virtue of the laws of the Country of Belgium and having a principal place of business at Doornstraat 221, 8200 Sint-Andries Brugge, Belgium and registered under 0738.778.427 (hereinafter "Assignor") is the current owner of certain intellectual property in the United States and Canada, including invention(s), design(s) (including industrial design(s)), and/or discoveries included in Schedule A (hereinafter collectively referred to as the "Invention(s)").

WHEREAS, EQUINOVUM LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware and having its principal place of business at 2829 Moelter Road, Burlington, WI 53105 (hereinafter "Assignee") is desirous of acquiring the entire interest in and to said Invention(s), and any Letters Patent or Registrations to be obtained therefore;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, Assignor has sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto Assignee, and the Assignee's legal representative, successors, and assigns, the Assignor's entire right, title, and interest in the Invention(s) including those identified in Appendix A hereof, and in and to any and all previous and subsequent United States and Canadian patents, applications, registrations, all divisional, continuation, continuation-in-part, reissues, reexaminations, renewals or extensions, or any legal equivalent thereof, related to the Invention(s), and all Letters Patents, Registrations, or comparable rights issuing thereon in the United States and Canada and in and to any and all rights including the right of priority therefore under any international conventions, treaties, or otherwise, the same to be held and enjoyed by Assignee in its own use and the use of its successors, legal representatives and lawful assigns, to the full end of the term or terms for which any such patent or other right has been or may be granted as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made, including the right to sue for and recover damages for past infringements.

Assignor hereby authorizes the law firm of Boyle Fredrickson, S.C. the power to insert in this instrument any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office or any other office for recordation of this document.

Assignor further agrees to execute any and all papers necessary to accomplish the transfer of the Invention(s) to Assignee and the Assignee's legal representative, successors, and assigns and to apply for, obtain, maintain, issue and enforce said Patents and Patent Applications for said inventions.
